All Aboard!

This guide will show you how to use Chicago Transit Authority (CTA) buses and trains to see Downtown Chicago, North Michigan Avenue, and a few places beyond.

The CTA runs buses and elevated/subway trains (the 'L') that serve Chicago and 35 nearby suburbs. From Downtown, travel to most attractions on one bus or train.

Buses

Riding CTA Buses

CTA buses stop at bus shelters or signs that look like this. Signs list the service days/general hours, route number, name and destinations, and the direction of travel.

When a bus approaches, look at the sign above the windshield. It will first show the route number and route name, then change to show the destination.
If it's the bus you want, flag it down.

How They Operate

Bus routes shown on the map operate every day, including all holidays, unless the route number is indicated below. Buses run every 10 to 20 minutes, except route 10 (see below).

Routes that operate every day do so from early morning until at least 10pm, with some exceptions:
124 Navy Pier until midnight daily in summer between Union, Ogilvie, and Millennium stations and Navy Pier.
146 Inner Drive/Michigan Express until 11:30pm daily from Museum Campus and Downtown.
147 Outer Drive Express until 9:20pm Sundays.

Routes that do not operate every day have service as follows:
7 Harrison operates weekdays 5:55am to 10:15pm
10 Museum of Science & Industry weekends/holidays year-round; daily Memorial Day to Labor Day and Thanksgiving to New Year's Day. Hours from about 9am, Monday-Saturday (10:25am, Sundays/holidays) to 4:40pm every 30 minutes. No service on Christmas Day.
28 Stony Island weekdays 7am to 9:30am and 4:05pm to 6:35pm.
130 Museum Campus operates Memorial Day weekend to Labor Day, daily from 9:30am to 6pm.
157 Streeterville/Taylor weekdays 6:25am to 7:15pm.

Accessibility

All CTA buses are accessible to people with disabilities.

Each rail line has a color name. All trains operate Downtown daily until at least midnight, except the Purple Line Express (see map for hours).
