HOMELAND SECURITY AWARD

B.A.S.E.

Security program management and accountability

Security and emergency response training

Public awareness

Protective measures for DHS threat levels

Physical Security

Personnel security

Information sharing and security

Your Safety Matters.

It's easy to get distracted by all the cool stuff your phone does.

Put safety first: Pay attention to your surroundings in any public space and keep an eye on all your belongings.

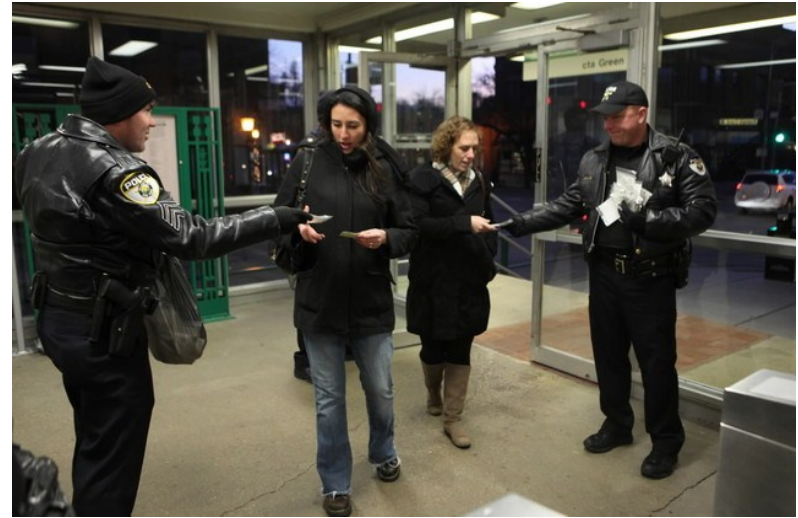

Travel smart 

Can you see what's around you?

Pay attention.

Be safe.

-cta

IF YOU SEE SOMETHING, SAY SOMETHING.

- Unattended packages
- Noxious smells or smoke
- Someone acting suspiciously

Tell a CTA employee immediately or **CALL 911** for emergencies. Learn more about safety and security basics at transitchicago.com/safety.

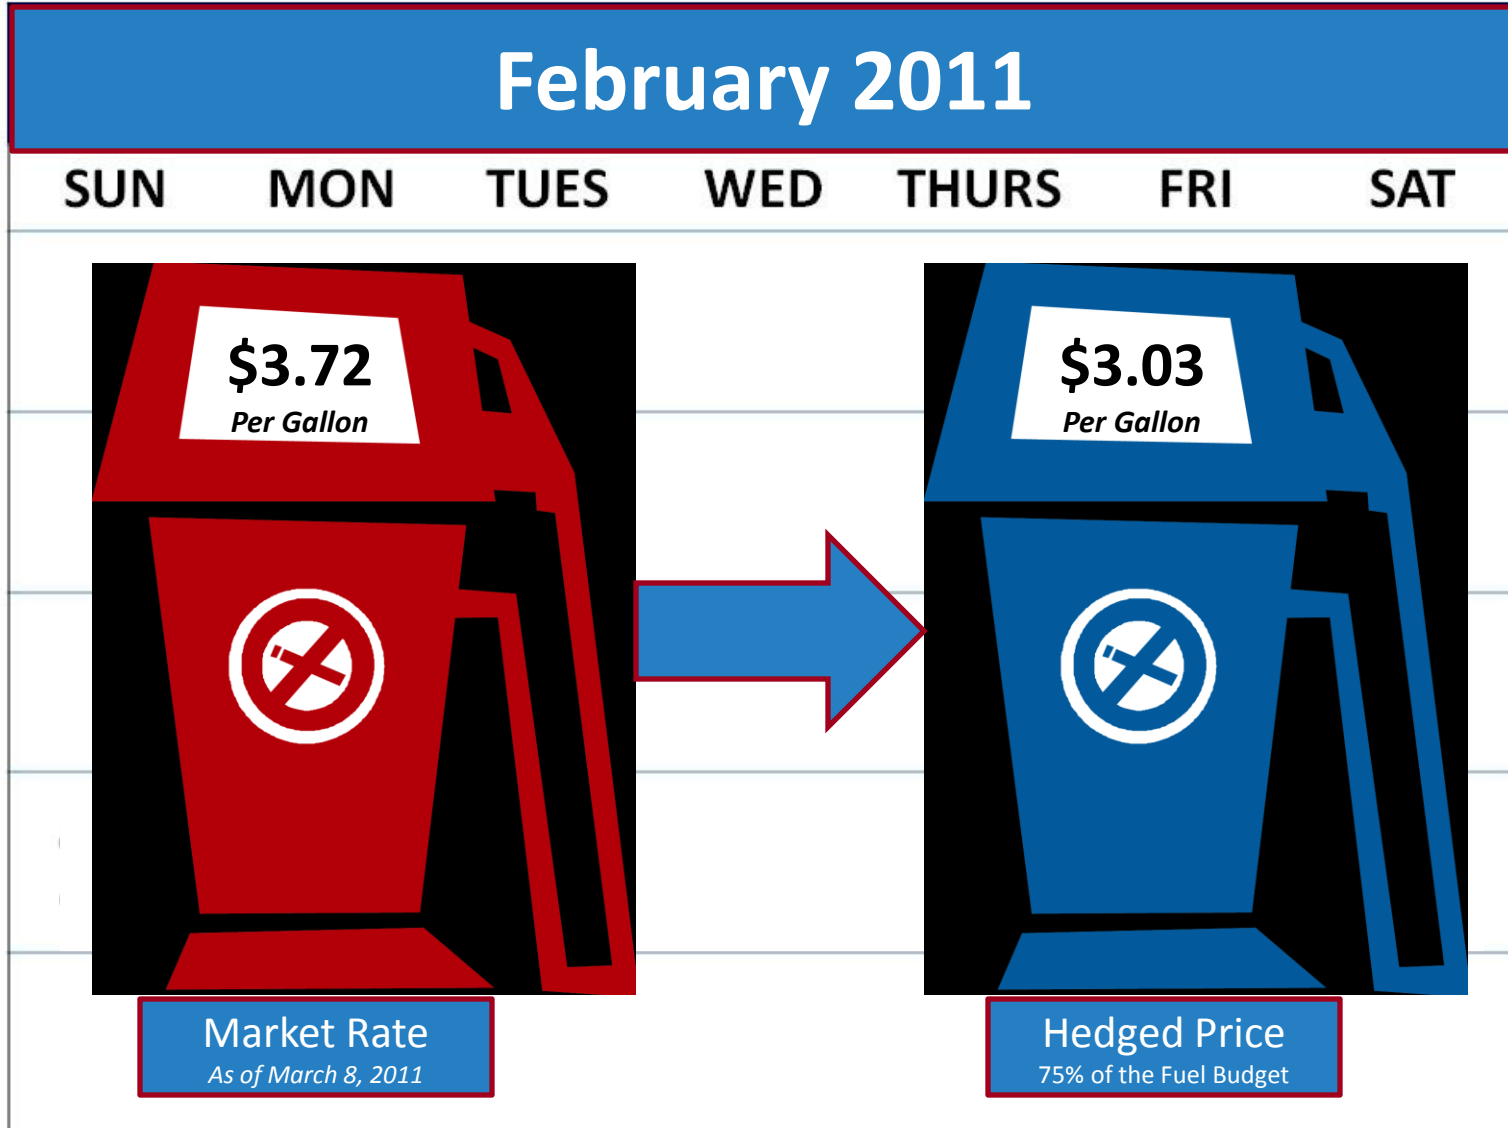

CONVENIENT OR CRIMINAL?

CTA is committed to Safety 

This message is funded by the Department of Homeland Security.
