How to read this report

This report shows many customers use the CTA rail system. The report has two sections: Ridership by Branch, and Ridership by Entrance.

How are customers counted?

A customer is counted each time he or she passes through a turnstile to enter a station. In this report, customers are not counted when they make a free transfer from one rail line to another, since they don't pass through a turnstile. Nor are customers counted when they leave a station, even if they leave through a turnstile.

Some CTA stations serve more than one line. The report does not show the number of customers boarding each line at such stations, simply the total number of customers who entered the station. For example, even though Howard station is reported as part of the Red Line, customers also enter at Howard to ride the Purple and Yellow Lines. The report shows the number of customers who entered at Howard but does not distinguish which lines they boarded.

Ridership by Branch

The CTA system consists of several branches. Ridership on each branch is reported in this section. Some branches, such as the Congress Branch, are part of a particular line (Blue Line, in this case). Other branches, such as the Loop, are part of multiple lines.

Ridership by Entrance

Ridership at each station is shown in this section. For stations with more than one entrance, the entrances are reported individually along with the station total.

How do I compare this year to last year?

When comparing one year to another, it is best to use the weekday, Saturday, and Sunday averages rather than the monthly totals. The monthly totals are affected by the number of weekdays, Saturdays, and Sundays in the month, which can vary from year to year. For example, September 2000 and 1999 had the following breakdown of days:

	1999	2000
Weekdays	21	20
Saturdays	4	5
Sundays	5	5

Note that September of 1999 had one more weekday than September 2000 and one fewer Saturday. Since weekdays typically have much higher ridership than Saturdays, September 1999 would have a higher monthly ridership than September 2000, all other things being equal. Averaging corrects for this problem.

What if I want to compare past years?

The CTA produces two reports with historic rail ridership:

> **Weekday Traffic Trends** shows average weekday ridership for each station for each year going back to 1976.
>
> **Annual Rail Traffic** shows total annual ridership for each station for each year going back to 1979. (The years 1979-1998 are in report PSP-x99026. 1986-1999 are in report PSP-x00031.)

To obtain copies of these reports please contact the CTA.

Holidays

The following holidays are reported as Sundays:

- New Year's Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Christmas Day

All other holidays are reported as the type of day they fall on.

February 2007 Notes

The following factors influenced February 2007 rail ridership.

Kimball station reopens.
For customer convenience, the Kimball station will reopen for service on Friday, January 12, 2007, while construction continues.

Temporary closure of Wellington and Diversey stations on the Brown Line.
Both stations were closed from January 27th to January 29th due to the Brown Line Capacity Expansion Project.

Brown Line Stations Close for 12 Months. On Saturday, December 2nd the Montrose and Addison Brown line stations closed for renovation.

Red Line Service Temporarily Rerouted to Elevated Tracks. Due to construction, over the weekend of November 17-19, 2006, Red Line service through downtown was rerouted from the subway to the elevated tracks. From 8 p.m. Friday, November 17 through 10 a.m., Saturday, November 18th, northbound service was rerouted. From 11 p.m. Saturday, November 18 through 1 p.m. Sunday, November 19, the southbound service was rerouted. During these periods, ridership in the subway stations from Harrison to North/Clybourn will be lower than normal, while ridership along the Wabash elevated stations, State/Lake, Clark/Lake, Merchandise Mart and Chicago/Franklin are expected to be higher than normal.

Washington-Red Station Shutdown. Washington station on the Red Line and the pedestrian transfer tunnel between the Red and Blue Lines was closed on October 23rd due to construction.

Kimball and Francisco (Brown Line) stations closed temporarily on September 15, 2006.
During this period customers may use the Kedzie and Rockwell stations accessed by supplemental bus service on Lawrence.

CTA Introduces Pink Line Service. Beginning Sunday, June 25th 2006, CTA introduced new Pink Line service for the West Side and near West Suburbs. The Pink Line operates all days of the week 4am – 1:25am and travels along the Cermak Branch from the 54th/Cermak ♿ Station in Cicero to the Polk ♿ Station on the near West Side, north along a new connection to Lake Street, serving the Ashland-Lake ♿ and Clinton-Lake ♿ stations. The new line then operates around the Loop, serving all 9 stations in a clockwise direction, before traveling back to 54th/Cermak ♿ along the same route. During weekday rush hours, Blue Line service will continue to operate along the Cermak Branch, via the Dearborn Subway and on to O'Hare ♿.

Ridership Reporting Implications – Pink Line. For this ridership report and from this point forward, the 11 stations along the Cermak Branch will fall under its own rail line group called the Pink Line. All year-to-year comparisons for the Cermak Branch will be titled "Pink Line" even though previous to June 25th, 2006 the branch provided only Blue Line service and it continues to provide Blue Line service during rush hour. Reporting for the Blue Line will contain the O'Hare, Dearborn and Forest Park Branches and will not include the Cermak Branch. All year-to-year comparisons for the Blue Line have been adjusted to exclude the Cermak Branch from the Blue Line totals. The Ashland ♿ and Clinton ♿ stations along Lake Street will continue to be grouped with the Lake Street Branch and will be summarized under the Green Line, even though these two stations also now serve the Pink Line. All downtown Loop stations will continue to be grouped as their own branch, with no specific line assignment. Furthermore, as downtown-destined Pink Line customers shift their riding patterns, many will choose to use the Loop stations

for their return trip; this is expected to shift downtown riding levels from the Dearborn Subway to the Loop stations.

CTA doubles frequencies on the Forest Park Branch of the Blue Line. In coordination with the opening of the Pink Line, the Forest Park Blue Line had a doubling of service, providing more frequent service for customers on the West Side and near West Suburbs.

New Free 'L'/Subway Connection. Chicago Card©, Chicago Card Plus© and Transit Card customers can now transfer without charge between the elevated lines at the Library ♿ station (Brown, Orange, Pink and Purple Lines) and the Red and Blue subways line at Jackson ♿.

The Kedzie and Rockwell (Brown Line) stations closed temporarily for renovation from February 20, 2006 to August 16, 2006. On weekdays, customers may use adjacent stations or one of several nearby bus routes. Once renovations are completed the stations will reopen with upgraded customer amenities.

Red Line 33rd St. Auxiliary Entrance Closed for Renovation. The 33rd Street auxiliary entrance of the Sox-35th ♿ Red Line station was closed for renovation starting June 20, 2005. In October, 2005 the entrance was temporarily reopened to serve the Chicago Marathon and post season White Sox game.

Elevated Service Shutdown. Loop elevated service between Adams/Wabash and Roosevelt stations was shutdown from October 23 through October 26, 2006 due to a fire in the vicinity. Green Line trains originating at Harlem station circled the loop and returned to Harlem station while Green Line trains originating at Cottage Grove or Ashland/63rd terminated at Roosevelt Rd. Orange Line trains were terminated at Roosevelt Rd.

Ashland-Lake Station Shutdown. Pink and Green Line service did not stop at the Ashland station on October 23rd until October 24th, 2006 due to a nearby fire and the resulting clean-up. Service at the station was restored midday on October 25th.
