#### D. Bid Deposit

All Bids must be accompanied by a Bid Deposit in the form of a bank check, cashier's check, or certified check in the amount of **Ten Thousand Dollars (\$10,000)** ("Bid Deposit"). All Bid Deposit checks must be drawn on a federally insured financial institution doing business in the United States and made payable to the Chicago Transit Authority. In the event of multi-round Bid process as described in Section III. F., the CTA can retain the \$10,000 Bid Deposits from Bidders who submitted bids in previous rounds of the same solicitation and who are eligible to participate in such multi-round bidding. These Bidders should not submit an additional Bid Deposit. Notwithstanding the foregoing, however, if the CTA returns the Bid Deposit to any Bidder who is eligible to participate in such multi-round bidding, then such Bidder must submit another \$10,000 Bid Deposit. In the event of a multi-round bid process, CTA will return the Bid Deposits to those Bidders who are not eligible to participate.

The CTA will have the right to retain the Bid Deposits submitted by the second and third highest responsive and responsible Bidders for up to ninety (90) days after the award of the Bid by the Chicago Transit Board. The Bid Deposits of said second and third Bidders will be returned if and when the High Bidder has completed its due diligence and has waived any conditions to Closing the purchase of the Property. All other Bid Deposits will be returned within 90 days of the Bid Due Date. In the event the CTA rejects all Bids, the Bid Deposits will be returned within 90 days of the Bid Due Date. Any interest on the Bid Deposits shall accrue to the benefit of the CTA.

If the High Bidder does not pay the additional Earnest Money as provided in Section IV A below, the High Bidder's Bid Deposit may be retained by CTA and the High Bidder will be deemed in default.

#### E. Basis of Award

The criteria to determine the High Bidder will be the highest Bid among responsive and responsible Bidders.

The CTA reserves the right to request additional information from any Bidder, and to determine the veracity of information provided by Bidders. A Bid found to be based upon inaccurate or misrepresented information will be rejected.

In selecting a Bidder, the CTA reserves the right to investigate thoroughly the financial status of each Bidder. Selection will be based upon the information contained in and submitted with the sealed Bid, and information provided by the Bidder that, in the sole judgment of the CTA, is relevant.

The CTA reserves the right to obtain an appraisal of the Property and that the High Bid must be equal to or in excess of the appraised value.

Bidders should not rely on any verbal representations or communications regarding the status or results of the Bid designation or award.

Any qualifications, exceptions, conditions or contingencies attached to the Bid will cause the Bid to be deemed non-responsive and it will be rejected.

#### F. Right to Conduct Multi-Round Bidding

The CTA reserves the right to conduct a multi-round Bid process to obtain the highest price for the Property. In this process, the first round of sealed Bids will be received by the Chicago Transit Authority until 11:00 a.m. on March 6, 2014, at which time and place only the name of the firms or individuals submitting Bids will be read aloud to the public. The monetary offers will not be read at that time.

If multiple Bids are received, the CTA may invite to a second round of bidding the three highest responsive and responsible Bidders. If only two responsive and responsible Bids are received then these two Bidders may be invited to a second round of bidding. Bidders invited to participate in the second round of bidding will be notified within four business days following the initial bid opening, by close of business. These Bidders will have until no later than six business days after the original bid opening at 11:00am to submit a revised Bid. During the second round of bidding, Bidders may raise their Bid or make no change to the amount of their initial Bid. Bidders in the second round are not allowed to lower or withdraw their Bid. The CTA will assume a Bid has not changed if a revised Bid has not been submitted by the due date for the second round of Bids.

At the end of the second round of bidding, six business days after the original bid opening, all submitted Bids will be opened and the name of the Bidders will be read aloud to the public. If the second round of bidding results in a tie for the high bid, a third round will take place for those second round Bidders whose Bids are tied. The Bidders whose Bids were tied will be notified within two business days of the Bid due date of a third round of Bids; and will have five business days from notification to submit a third revised Bid. During the third round of bidding, Bidders may raise or make no change to their Bid amount. During the third round Bidders may not lower or withdraw their Bid. If a Bidder does not submit a revised Bid by the due date for the third round, the CTA will assume the Bid amount from round two has

not changed. If the third round results in a tie for the high Bid, the awarded Bidder will be determined by a coin toss. Following the conclusion of the multi-round bidding process, the CTA will read aloud to the public the names of the Bidders and Bid amounts for all rounds of bidding.

If the CTA at any point in the multi-round Bid process determines that, in its opinion, the best interest of the CTA and the public would be served by terminating the process and either beginning a new one, or terminating the solicitation or sale, the CTA reserves the right to take these actions. The CTA may also terminate the rebidding process and make its determination based on the original Bids received.

#### G. Schedule of Performance Guide

The following schedule is intended as a guide and is subject to change at the CTA's discretion:

|                                                                                       |                                                          |

Failure to deliver the additional Earnest Money shall be treated as a default of the Bid, the \$10,000 Bid Deposit may be retained by the CTA, and the CTA may award the Bid to the second highest responsive and responsible Bidder. If the second highest Bidder fails to deposit the additional Earnest Money within

thirty (30) days of being notified that it is now the High Bidder, the second highest Bidder's \$10,000 Bid Deposit may be retained by the CTA, and the CTA may award the Bid to the third highest responsive and responsible Bidder. If the third Bidder fails to deposit the additional Earnest Money within thirty (30) days of being notified that it is now the High Bidder, the third highest Bidder's \$10,000 Bid Deposit may be retained by the CTA.

**B. Due Diligence**

Following notification of being the High Bidder, the High Bidder shall have sixty (60) days to conduct due diligence on title, survey and conduct engineering studies or tests. If High Bidder or Bidder's agents wish to conduct engineering studies or tests they may be required to execute a Right of Entry and provide insurance in form and amount acceptable to CTA. Any reports generated from such studies or tests must be provided to the Authority within five (5) business days of receipt by the High Bidder.

**C. Closing**

The Closing Date shall be within one hundred and twenty (120) days after notification of being the High Bidder.

**D. Confidentiality of Bids**

The CTA will exercise reasonable care to maintain the confidentiality of the Bid and its contents. Refer to Section III. F., above, for disclosure that will occur when bids are opened. Bids become the property of the CTA upon submission. Any information provided to the CTA to clarify a Bid or as part of a presentation pursuant to a Bid also becomes the property of the CTA. Bidders shall not hold the CTA, its board members, officers, employees, agents, or assigns responsible for disclosure of the information contained in a Bid. The CTA accepts no responsibility for the confidentiality of information. CTA may be required, by law, to disclose information provided in response to this IFB.

**V. DISCLAIMERS & PROVISIO**

The High Bidder agrees to accept all risks associated with any and all expenditures it makes prior to Closing.

**Proviso**

Bidder hereby authorizes and requests any person(s), firm(s), financial institution(s) or corporation(s) to furnish any information requested by the CTA or its designated representative in verification of the recitals regarding the Bidder's submission, or any other information submitted. The Purchase Price shall be paid by Bidder in immediately available funds at Closing, less any credits.

Bidder hereby certifies that the undersigned is authorized to sign this bid on behalf of the **Bidder**.

Bidder hereby also agrees that:

1. Bidder hereby deposits, as a bid deposit towards the purchase of the Property, the sum of ten thousand dollars (\$10,000.00), in the form of a Bank Certified or Cashier's Check, drawn on a federally insured financial institution, made payable to the Chicago Transit Authority (Bid Deposit");
2. Interest earned on the Bid Deposit and Earnest Money Deposit, if any, shall be the property of the CTA;
3. If Bidder is declared the second or third highest responsive and responsible Bidder the Bid Deposit may be retained by the CTA until ninety (90) days after award of the Bid by the Chicago Transit Board;

4. If Bidder is notified by the CTA that it is the highest responsive and responsible Bidder ("High Bidder"), High Bidder will, within thirty (30) days after being notified of being High Bidder, tender to CTA an additional deposit which, when added to the Bid Deposit, will provide Earnest Money ("Earnest Money") equal to ten percent (10%) of the accepted bid amount, but in no event shall the Earnest Money be less than \$10,000.00. The additional Earnest Money will be paid in the form of a Bank, Certified or Cashier's check, wire transfer or method otherwise approved by the CTA, drawn on a federally insured financial institution and made payable to the CHICAGO TRANSIT AUTHORITY or as otherwise approved by CTA. If this transaction is not consummated due to CTA's default, CTA shall return the Earnest Money to the High Bidder. If this transaction is not consummated due to High Bidder's default, CTA may retain the Earnest Money and may pursue all other legal or equitable rights or remedies CTA may have against High Bidder.

5. Bidder understands that the Property is a part of a single tax parcel and High Bidder agrees to obtain, at High Bidder's sole cost and expense, a division of the Property from the Cook County Assessor. CTA will cooperate with High Bidder by executing all documentation required to obtain such division. All real property ad valorem taxes, including taxes relating to periods before the closing, shall be the responsibility of the High Bidder and will not be prorated. CTA will execute any documentation required for said application. It is understood between the High Bidder and CTA that any rental payments applicable to the Property shall be prorated as of the Closing Date. Notwithstanding the foregoing, taxes, if any, owing on the Property, including but not limited to leasehold taxes, shall be the responsibility of the High Bidder to pay or clear from the title.

6. High Bidder agrees that the balance of the purchase price will be paid in the form of a Bank, Certified or Cashier's check or wire transfer drawn on a federally insured financial institution and made payable to the CHICAGO TRANSIT AUTHORITY, or as otherwise approved by CTA, on the closing date for transfer of title to the Property ("Closing Date") which will be no more than one hundred and twenty (120) days after notification of being the High Bidder.

7. Within sixty (60) days after being notified of being High Bidder, the High Bidder may obtain a title report and survey, and may obtain engineering inspections or tests (collectively "Due Diligence Reports") for the Property at its own cost. Within five (5) business days after receiving any of the Due Diligence Reports, High Bidder shall deliver the Due Diligence Reports along with written notice of any and all material defects disclosed by the Due Diligence Reports. Bidder shall be deemed to have waived any objections to any matters discovered or disclosed in the Due Diligence Reports of which High Bidder has not given timely written notice to CTA.

The High Bidder or Bidder's Agents entering the Property for purposes of preparing the Due Diligence Reports may be required to first execute CTA's right of entry agreement and provide insurance in form and amount acceptable to CTA.

8. CTA has provided a copy of the preliminary title report on the internet with this IFB. Nevertheless, within sixty (60) days of the being notified of being the High Bidder, High Bidder may, at its own cost, obtain a title insurance commitment ("Title Commitment") for the Property.

Within five (5) business days after High Bidder's receipt of the Title Commitment, High Bidder shall notify CTA in writing of any exceptions or terms in the Title Commitment which are not acceptable to High Bidder. Standard, general exceptions such as rights or claims of parties in possession not shown in public records; matters affecting title that would be disclosed by survey; liens for services, labor or

materials imposed by law and not shown by public records; or taxes or special assessments not shown as existing liens by public records; or any other exceptions listed in Section II of the IFB and Section 14 herein, will not constitute unacceptable title exceptions.

Within thirty (30) days after receipt of High Bidder's list of unacceptable title exceptions, CTA will inform High Bidder in writing whether CTA can or will cure the unacceptable title exceptions. CTA will cooperate with High Bidder to cure any unacceptable title exceptions that can be cured without the expenditure of money by CTA.

If CTA elects not to cure the unacceptable title exceptions, High Bidder may withdraw its Bid by written notice to CTA within five (5) business days of receipt of CTA's notice, in which case CTA will return the Bid Deposit and any Earnest Money Deposit to High Bidder. If High Bidder does not give said notice, High Bidder will be deemed to have accepted the Property subject to the title conditions.

9. CTA has provided a survey of the Property on the internet with this IFB. If High Bidder chooses to complete its own survey, such survey shall be completed within sixty (60) days after being notified of being High Bidder, at its own cost. Within five (5) business days of any such survey completion, High Bidder shall notify CTA in writing of any matters disclosed in such survey which are not acceptable to High Bidder. Facts about the Property that were disclosed in the IFB cannot be raised based on either survey.

Within thirty (30) days after receipt of High Bidder's list of unacceptable matters disclosed by the survey, CTA will inform High Bidder, in writing, whether CTA can or will cure the unacceptable matters disclosed by the survey. CTA will cooperate with High Bidder to cure any unacceptable matters that can be cured without expenditure of money by the CTA

If CTA elects not to cure the unacceptable matters, High Bidder may withdraw its Bid by written notice to CTA within five (5) business days of receipt of CTA's notice, in which case CTA will return the Bid Deposit and any Earnest Money Deposit to High Bidder. If High Bidder does not give said notice, High Bidder will be deemed to have accepted the Property subject to the survey conditions.

10. CTA has provided an Environmental Report on the internet with this IFB. Nevertheless, within sixty (60) days after being notified of being High Bidder, High Bidder may, at its own cost, obtain engineering studies and tests of the Property ("Study"). These may include environmental, geotechnical, sound and vibration, mechanical, structural and the like.

Within five (5) business days after receiving a report on the results of any such Study, High Bidder shall notify CTA in writing of any of any matters disclosed in the Study that are not acceptable to High Bidder. Facts about the Property that were disclosed in the IFB cannot be raised based on the Study.

Within thirty (30) days after receipt of High Bidder's list of unacceptable matters disclosed by the Study, CTA will inform High Bidder in writing whether CTA can or will cure the unacceptable matters disclosed by the Study. CTA will cooperate with High Bidder to cure any unacceptable matters that can be cured without the expenditure of money by CTA.

If CTA elects not to cure the unacceptable matters, High Bidder may withdraw its Bid by written notice to CTA within five (5) business days of receipt of CTA's notice, in which case CTA will return the Bid Deposit

and any Earnest Money Deposit to High Bidder. If High Bidder does not give said notice, High Bidder will be deemed to have accepted the Property subject to the Study conditions.

11. Notwithstanding the above, CTA will have thirty (30) days from notice of a material defect to determine if CTA will cure the material defect. CTA will notify High Bidder in writing whether CTA can or will cure the material defect. If CTA determines that it cannot, or will not, cure the material defect within said thirty (30) days, the High Bidder may, within five (5) business days after notice from CTA, elect to:

- (a) have the Earnest Money refunded in full, without interest, thereby causing the Offer to terminate without further action by either party and become null and void; or
- (b) accept title to the Property subject to said defect, which shall thereafter be considered a Permitted Exception, without any adjustment in the purchase price.

12. Conveyance of title and payment of the Purchase Price (the "Closing") shall take place within one hundred and twenty (120) days of notification of being the High Bidder, unless extended by agreement of the parties. CTA shall deliver sole and exclusive possession of the Property to High Bidder at Closing.

13. At the Closing, CTA shall convey title to the Property to the High Bidder by a recordable statutory form quitclaim deed ("Deed"). CTA shall also deliver at Closing an ALTA Statement (in the Title Company's customary form) acceptable to the Title Company, a Water Certificate, if applicable, and any other customary documents required by the Title Company. The parties will jointly deposit Illinois, Cook County and City of Chicago real estate transfer tax declarations and any other customary documents required by the Title Company. The High Bidder will deposit the remaining purchase price and any other customary documents required by the Title Company.

High Bidder shall pay all transfer taxes and all other closing costs including escrow fees in connection with the Closing.

CTA will convey title to the Premises by a QUIT CLAIM DEED, subject to the following exceptions ("Permitted Exceptions"):

- (a) General taxes;
- (b) Special assessments;
- (c) Questions of survey, including encroachments, if any;
- (d) Building lines and building and liquor restrictions;
- (e) Zoning and building laws and ordinances;
- (f) Private, public and utility easements;
- (g) Covenants and restrictions of record;
- (h) Party wall rights and agreements, if any;
- (i) Existing leases, if any;
- (j) Payment of all stamp and transfer taxes by Buyer;
- (k) Roads and highways;
- (l) Unrecorded agreements recited in the Title Report; and
- (m) A ten (10) foot wide aerial and ground access easement traversing along the westerly side of the Property, which High Bidder will grant in favor of the CTA at Closing, as depicted on the

survey provided with the IFB.

14. If, prior to the Closing Date (a) the Property and the improvements thereon shall be destroyed or damaged by fire or other casualty so as to cause a diminution in value of more than five percent (5%) of the Purchase Price, or (b) all or any portion of the Property is condemned by any legally constituted authority, a notice of intent to condemn is issued for any portion of the Property, or any portion of the Property is sold in lieu of condemnation (all of which actions shall generically be referred to as a "condemnation") and said condemnation shall cause a diminution in value of more than five percent (5%) of the Purchase Price, then in either case, High Bidder may elect, at its option exercised within twenty (20) days following the date High Bidder receives notice of any such event from CTA as hereinafter provided, to terminate this Agreement, in which event the Earnest Money shall be promptly returned to the High Bidder, and thereafter neither party shall have any further rights or obligations hereunder, except as otherwise expressly provided herein. If High Bidder does not elect to terminate this Agreement within said 20-day period as provided herein, then at Closing CTA shall assign, transfer and deliver to the High Bidder all of CTA's right, title and interest in and to all insurance proceeds and/or condemnation awards attributable to said damage, destruction or condemnation, as the case may be. CTA agrees to give the High Bidder written notice of any fire, other casualty or condemnation within five (5) business days after it has actual knowledge of any such event, and agrees that if the Closing Date is less than twenty (20) days following the date the High Bidder receives CTA's notice, the Closing shall be delayed sufficiently to allow the High Bidder twenty (20) days to make such election.

15. The Bidder, for itself and its beneficiaries, successors, assigns, and agents, hereby releases, waives, and forever discharges the CTA and its board members, officers, employees, agents, attorneys, and representatives of, from, and against any and all claims, actions, causes of action, suits, debts, bills, specialties, covenants, controversies, costs or expenses, including reasonable attorneys' fees, and demands whatsoever at law or in equity arising out of or in connection with inspection of the property by the Bidder or its agents or representatives. The Bidder assumes all risk of the liability for any and all injuries arising out of or in connection with, directly or indirectly, the inspection of the Property by the Bidder or its agents or representatives.

The Bidder for itself and its successors or assigns shall and hereby does indemnify, defend, and hold harmless the CTA and its board members, officers, employees, successors, assigns, and agents from and against (a) any and all losses, liabilities, claims, damages, obligations, payments, costs and expenses (including, without limitation, expenses or investigation and any of the foregoing incurred whether or not resulting in any claim or litigation and including CTA's reasonable attorneys' fees), and (b) the costs and expenses, including CTA's reasonable attorneys' fees, of any and all actions, suits, proceedings demands, assessments, judgments, settlements, payments, and compromises relating to any third party claims (whether or not resulting or likely to result in litigation), arising out of or due to, directly or indirectly, out of any information provided in this IFB.

16. Bidder agrees and acknowledges that the CTA has made no representation concerning the presence or absence of any Hazardous Substances (as defined below) on the Property or any property adjacent to the Property and that the CTA has made no representation concerning the existence or non-existence of any violation, past or present, of Environmental Laws (as defined below) affecting the Property. Bidder hereby waives any and all claims, actions, causes of action, suits, or demands of any nature against the CTA and its board members, officers, employees, successors, assigns, and agents which the Bidder may have now or in the future for damages, payments, costs or expenses (including, without limitation, claims of contribution or indemnity and any expenses of investigation of the condition

of the Property, regardless of the results of such investigation) suffered by the Bidder as a result of the presence or possible presence of any Hazardous Substances on or near the Property or the violation, at any time in the past, present or future, of any Environmental Laws affecting the Property.

Bidder acknowledges that CTA operates a public transit system proximate to the Premises. High Bidder hereby waives and releases CTA and its board members, officers, employees, successors, assigns, and agents, to the fullest extent permitted under law, from and of any and all demands, claims, actions or causes of action, assessments, losses, damages, liabilities, obligations, judgments, costs, and expenses with respect to any negative impacts that occur as a result of the CTA's operation of its transportation system, including, without limitation, noise, odor, vibrations, particles, electromagnetic fields, pollution and fumes.

These waivers and indemnifications shall survive the transfer of the Property to the High Bidder. As used herein, Hazardous Substances means any toxic or hazardous wastes, pollutants, or substances, including without limitation, asbestos, PCBs, petroleum products and byproducts, and substances defined as "hazardous substances" or "toxic substances" or similarly identified in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, 42 U. S. C. Sec. 9601 et seq., Hazardous Materials Transportation Act, 49 U. S. C. Sec. 1801, et seq., The Resource Conservation and Recovery Act, 42 U. S. C. Sec. 6901 et seq., Clean Water Act, 33 U. S. C. Sec. 1251 et seq., as amended, Clean Air Act, 42 U. S. C. Sec. 7401 et seq., or in any other applicable federal, state, or local Environmental Laws.

### BID PROTEST PROCEDURES

## BID PROTEST PROCEDURES

### SECTION I – AUTHORITY BID PROTEST PROCEDURE

- A. The Chicago Transit Authority (CTA/ Authority)** will hear and consider a bona fide bid protest regarding its procurement actions. It is anticipated that the majority of protests will be evaluated and finally decided by the Authority. Accordingly, the Authority intends to provide a thorough review of all bona fide bid protests. The Authority's primary concern, however, is the timely procurement of needed capital equipment, supplies or services. It does not intend to allow the filing of bid protests to unnecessarily delay the procurement process, especially if the protest involved is vexatious or frivolous in nature.

Notwithstanding the availability of these protest procedures, any interested party is encouraged to exhaust all methods described in the Contract Documents of resolving a procurement issue before filing a formal protest with the Authority. In its consideration of a bid protest, the Authority reserves the right to give due consideration to the good faith efforts of the protestor to resolve the issue involved through informal methods.

**Note – The Federal Transit Administration (FTA) will be notified by the Authority of all formal, written protests, when FTA funds are involved.**

**B. Definitions for purposes of this section -**

1. The term "days" refers to working days of the Authority.
2. The term "interested party" means any person (a) who is an actual bidder or prospective bidder in the procurement involved, and (b) whose direct economic interest would be affected by the award of the contract or by a failure to award the contract.

**C. Submission of Protest**

Any interested party may file a bid protest with the Authority on the basis that the Authority has failed to comply with applicable Federal or State law or with the Authority's Procurement Regulations. The protest must be filed in accordance with the timing requirements set forth in subsection D. "*Types of Protests and Timing*" of this section, and must include:

1. The name and address of the protestor.
2. The number of the contract solicitation.
3. A statement of the grounds for the protest, and in particular the Federal or State law or Authority Regulation alleged to have been violated. This statement should be accompanied by any supporting documentation the protesting party desires the Authority to consider in making its decision.

**Protest should be submitted to:**

**General Manager Purchasing  
Chicago Transit Authority  
567 W. Lake St.  
Chicago, IL 60661-1498**

**D. Types of Protests and Timing**

The requirement for timely filing of a bid protest with the Authority will depend upon the type of protests involved. The Authority will consider the following three types of protest by interested parties:

**1. Protest regarding solicitation**

Any bid protest regarding the solicitation by the Authority must be filed **no later than five (5) days before the opening of bids**. Any protest filed after that date which raises issues regarding the solicitation will not be considered by the Authority.

This type of protest would include any claim that the bid solicitation contained exclusionary or discriminatory specifications, any challenge to the basis of award, or any claim that the solicitation documents or the solicitation process violated applicable Federal or State law, or that the Authority failed to follow its Procurement Regulations in the solicitation of bids.

## **2. Protests regarding bid evaluation**

Any bid protest regarding the evaluation of bids by the Authority must be filed with the Authority **no later than twenty (20) days after the opening of bids**. Any protest filed after such date which raises issues regarding the bid evaluation will not be considered by the Authority.

This type of protest would include any challenge to determinations by the Authority of the responsiveness of a bid or the responsibility of a bidder, or any claim that the evaluation of bids violated federal or State law or the Authority's Procurement Regulations.

## **3. Protests Regarding Award of Contract**

Any protest regarding the award of the contract must be filed **no later than ten (10) days after the date of award**. Any protest regarding the award of the contract filed after that date will not be considered by the Authority.

This type of protest will only be entertained by the Authority if the protestor is able to demonstrate that the party awarded the contract fraudulently represented itself as a responsible bidder or that the Authority violated Federal or State law or its Procurement Regulations in the award of the contract.

# **E. Authority Response**

## **1. Types of Protests**

The Authority will notify the protestor upon timely receipt of a bid protest and may, where appropriate, request additional information from the protestor. The Authority may, at its discretion, meet with the protestor to review the matters raised by the protest. The Authority's consideration of the particular types of protests will, except as otherwise provided in subsection 2. "*Decisions by Authority*" of this section, be in accordance with the following provisions:

### **a. Protest regarding solicitation**

Upon receipt of a timely filed protest regarding the solicitation, the Authority will postpone the opening of bids until resolution of the protest. No additional bids will be accepted during the period of postponement.

If the protest regarding the solicitation involves a claim of unduly restrictive or exclusionary specifications, the Authority will, in evaluation of the protest, consider both the specific need of the Authority for the feature or item challenged and any effects on competition of including the specification regarding that feature or item. If the Authority determines that such feature or item was included in the specification in order to meet justified and valid transit needs of the Authority, and was not unduly restrictive of competition or designed to exclude a particular competitor, then the Authority will have grounds to deny the protest.

### **b. Protests regarding bid evaluation**

Upon receipt of a timely filed protest regarding the evaluation of bids, the Authority will suspend its evaluation of all bids submitted until resolution of the protest if the Authority determines that the protestor has established that there are reasonable doubts regarding the responsiveness of a bid or the responsibility of a bidder or regarding the Authority's compliance with Federal or State law or its Procurement Regulations.

**c. Protests after award**

Upon receipt of a timely filed protest regarding the award of a contract, the Authority will issue a stop work order, if necessary, until the resolution of the protest if the Authority determines that the protestor has established a prima facie case that the contract was awarded fraudulently or in violation of that Federal or State law or the Authority's Procurement Regulations.

**2. Decisions by Authority**

As indicated above, in most instances the Authority will suspend the procurement process upon receipt of a bona fide bid protest. However, the Authority reserves the right, notwithstanding the pendency of a protest, to proceed with the appropriate action in the procurement process or under the contract in the following cases:

- a. where the item to be procured is urgently required;
- b. where the Authority determines that the protest was vexatious or frivolous; and
- c. where delivery or performance will be unduly delayed, or other undue harm will occur, by failure to make the award promptly.

After review of a bid protest submitted under this section, the Authority will issue a written decision of the basis of the information provided by the protestor, the results of any meetings with the protestor, and the Authority's own investigation. If the protest is upheld, the Authority will take appropriate action to correct the procurement process and protect the rights of the protestor, including resolicitation of bids, revised evaluation of bids or Authority determinations, or termination of the contract. If the protest is denied, the Authority will lift any suspension imposed and proceed with the procurement process or the contract, as the case may be.

The availability of review of bid protest by FTA is described in Section II. As noted in that section, under FTA's revised procurement guidelines the role of the Federal government in bid protest review is quite limited.

**SECTION II – FTA BID PROTEST PROCEDURE**

Reviews of protests by FTA will be limited to claims that the CTA failed to have or follow protest procedures, or claims that CTA failed to review a complaint or protest. A protestor must exhaust all administrative remedies with the CTA before pursuing a protest with FTA. An appeal to FTA must be received by the cognizant FTA regional or Headquarters Office within five (5) working days of the date the protester knew or should have known of the violation.

Violations of Federal law or regulation will be handled by the complaint process stated within that law or regulation. Violations of State or local law or regulations will be under the jurisdiction of State or local authorities.
