# IMPORTANT AND NEW ENROLLMENT INFORMATION

Please read this Health
Enrollment Plan booklet carefully
because the only way to make
your plan selections for the
amended 2014 plan year is by
using Self Service from any
CTA work location or by using
the Internet from your personal
computer (see instructions on
pages 7 & 8 of this brochure).

There are major changes to the CTA health plans for 2014. If you are currently in a plan that ends December 31, 2013, you will have to make a plan selection for January 1, 2014. If you do not select a new plan you will be defaulted into the PPO/OAP Option A

The changes you make during this open enrollment period will become effective Jan 1, 2014 and will remain in effect through December 31, 2014.

The CTA is no longer a "grandfathered" health plan under the Patient Protection and Affordable Care Act (PPACA). Therefore under PPACA, the CTA must include certain consumer protections, for example the requirement to provide preventive health services without cost sharing.

## **Open Enrollment for Jan 1, 2014**

During the period of Nov 4th through Nov 22, 2013, the Chicago Transit Authority (CTA) will conduct open enrollment for health plans. Unless you have an eligible change in family status, **open enrollment is the only time of the year when you can:** 

- make changes to medical plan;
- enroll eligible dependents; and
- waive your currently selected plans

## **Important Reminder**

Unless you have an eligible change in family status, open enrollment is the only time of the year when you can:

- make changes to medical plans
- waive medical coverage
- enroll eligible dependents

**Please note:** If you are adding or deleting dependents, all required forms and documents must be submitted to the HR Benefit Services Department **on or before November 22, 2013.** 

Outside of open enrollment, you have 31 days from an eligible change in family status (new marriage, new civil union, new birth, adoption, divorce or involuntary loss of alternate coverage) to enroll eligible dependents in your CTA medical plan.

In order to receive coverage for any dependent aged 19-25, you must submit a certified birth certificate that lists you or your current spouse as a natural parent for that dependent, along with the Healthcare Election form **by 4:30 p.m., November 22, 2013**. This requirement applies if the dependent is not currently enrolled under your health plan through CTA in the past.
