

ORDINANCE NO. 013-164

AN ORDINANCE AUTHORIZING
AN AMENDMENT TO CONTRACT
APPROVED BY THE CHICAGO
TRANSIT BOARD

WHEREAS, Contracts originally approved by the Chicago Transit Board now require approval of contract amendments; now, therefore:

BE IT ORDAINED BY THE CHICAGO TRANSIT BOARD
OF THE CHICAGO TRANSIT AUTHORITY:

SECTION 1. The Chairman of said Board, or his designee, is authorized to approve the following amendment:

- 1.1 Contract C08OP100726511– The Gordian Group
Original Ordinance No. 008-106
Description: Professional services related to Job Order Contracting (JOC) including preparation of contract documents and implementation of work order tasks within approved JOC construction contracts.
Amendment No. 2 is the result of additional work associated with Job Order Construction. CTA is continuing to utilize the JOC method for smaller construction projects, and additional funds are required to compensate the Gordian Group for its continued work with CTA's JOC contractors. The CTA is currently running its JOC program with a three year contract, with the base contract set to expire August 2015. However, the Construction Department had advertised a new JOC contract with an anticipated duration of two years and is currently advertising new Small Business JOC program with anticipated three year duration. Between the remaining work under the existing JOC contract and the value of the anticipated JOC contract, the total value of work to be performed in the JOC programs is estimated at \$63,000,000.00. Based on this estimated construction work, staff requests an increase in the contract authority for JOC consulting services.

Addition: - \$1,228,500.00

Revised contract amount - \$3,583,500.00

SECTION 2. This ordinance shall be in full force and effect from and after its passage.
