

Adopt-A-Station Proposal Form

Please include detailed information for every section of this form. Attach any additional documents if necessary. Proposals that do not include the information and documents requested in this form will not be considered.

Organizational Information:

Organization Name:

Web Site:

Mission:

Number of members:

Annual budget:

Designated Project Contact for Organization:

Name/Title:

Phone Number:

E-mail Address:

Station Location:

Station Name (i.e. Belmont):

Rail Line (i.e. Brown Line):

Detailed Project Description:

Please attach a description (maximum of 2 pages) of the work you are proposing to do at your station. Include information that communicates the goals and/or objectives of the adoption. Include specifics about the project and station, along with what areas would be affected by the proposal. Discuss what products, materials and equipment would be used for the project, and who would perform the work. Outline a schedule of the work. If you are proposing the installation of artwork, please include a detailed description of the work, construction and process of installation. Use additional pages to provide sketches or photographs of the work.

To adopt a station, contact Gonzalo Escobar by phone at 312-681-2834, e-mail gescobar@transitchicago.com or send mail to 567 W. Lake Street, Chicago, IL 60661.

Any proposal not including all information and documents requested here will not be reviewed. Thank you for your participation.
