

Wilson Station Reconstruction Project

Interested in contracting opportunities on the Wilson Station Reconstruction project?

The Chicago Transit Authority's (CTA) Wilson Station Reconstruction Project will provide station improvement contracting opportunities for Disadvantaged Business Enterprises (DBE). Project needs will include work in the following areas:

- Painting
- Glazing
- Electrical
- Environmental
- Carpentry
- Laborers
- Plumbing
- Surveying
- Masonry
- Sheet Metal
- HVAC Specialists
- Signage
- Structural/Ornamental Steel
- Escalator/Elevator Specialists
- Power Washing/Cleaning

To help build relationships between potential prime contractors and DBE subcontractors, CTA is hosting Pre-Proposal Meetings. The meetings will focus exclusively on station improvement contracting opportunities.

Meetings will be held on the following dates:

- **Wednesday, May 1st 2pm to 4pm at:**
CTA Headquarters
567 W. Lake Street, Chicago, IL
- **Wednesday, May 8th 9am to 11am at:**
Chicago Urban League
4510 South Michigan Avenue
1st Floor Main Conference Room
Chicago, IL
- **Wednesday, May 15th 9am to 1pm at:**
Truman College
1145 W Wilson Ave
Main Building, Room 1176
Chicago, IL

ATTENTION INTERESTED PRIMES: Firms interested in bidding as primes on this contract are encouraged to reserve an exhibit table. To register, contact the CTA's Diversity Programs Department at (312) 681-2601 or via email at diversity@transitchicago.com.

No registration is required for DBEs interested in subcontracting opportunities, but RSVPs are encouraged for headcount purposes. RSVP by contacting the CTA's Diversity Programs Department at (312) 681-2601 or via email at diversity@transitchicago.com.
