Red Line Extension

Construction Activity Notice

We are performing work in preparation for extending the Red Line by 5.5 miles from the 95th Street Terminal to 130th Street. The Red Line Extension also includes building four new Red Line stations at 103rd, 111th, Michigan (near 116th) and 130th streets. To build the project, work will be performed that may affect your community. While progress sometimes comes with inconveniences, we will do our best to keep them to a minimum.

DAILY PARKING & TRAFFIC LANE IMPACTS

Dates:
- **Monday, July 14 to Friday, July 18, 2025**
- **Monday, July 28 to Friday, August 1, 2025**

Dates are subject to change due to weather & construction schedule adjustments

Locations: W. 111 Street from S. Princeton Avenue to S. Eggleston Avenue
(No closures will be put in place until the work begins at this location)

Work Hours: **7am to 5pm, weekdays**

Work Activity: Locating Underground Utilities & Pavement Restoration

Local Impact:

- **There will be NO PARKING on both sides of the street from 300 to 409 W. 111th Street while the work is being performed.**
- **Traffic lane closures within the work zone will alternate between the north and south sides of the street while the work is being performed.**
- Traffic will remain open in both directions at all times.
- The parking and traffic lane closures will be removed at the end of each workday.
- There will be noise while the work is being performed. Noise may include:
  - General construction noise
  - Equipment noise from jack hammers and running air compressors
  - Use of pneumatic tools
  - Beeping from back-up alarms on construction equipment and vehicles
- There will be dust while the work activity is being performed, and the contractor will implement the necessary procedures to mitigate the dust.
- Additional Construction Activity Notices will be provided as work progresses.
