Red Line Extension

Construction Activity Notice

We are performing work in preparation for extending the Red Line by 5.5 miles from the 95th Street Terminal to 130th Street. The Red Line Extension also includes building four new Red Line stations at 103rd, 111th, Michigan (near 116th) and 130th streets. To build the project, work will be performed that may affect your community. While progress sometimes comes with inconveniences, we will do our best to keep them to a minimum.

DAILY PARKING & TRAFFIC LANE IMPACTS

Dates: **Monday, July 14 to Friday, August 1st, 2025**
Dates are subject to change due to weather & construction schedule adjustments

Locations: E. 130th Street to S. Doty Avenue
(No closures will be put in place until the work begins at this location)

Work Hours: **7am to 5pm, weekdays**

Work Activity: Locating Underground Utilities & Pavement Restoration

Local Impact:

- **There will be NO PARKING on both sides of the street while the work is being performed.**
- **There will be traffic lane closures with flagger assistance on E. 130th Street while the work is being performed.**
- **One lane of traffic will remain open at all times.**
- The parking and traffic lane closures will be removed at the end of each workday.
- There will be noise while the work is being performed. Noise may include:
  - General construction noise
  - Equipment noise from jack hammers and running air compressors
  - Use of pneumatic tools
  - Beeping from back-up alarms on construction equipment and vehicles
- There will be dust while the work activity is being performed, and the contractor will implement the necessary procedures to mitigate the dust.
- Additional Construction Activity Notices will be provided as work progresses.
