

Construction Activity Notice

We are continuing construction on the Red and Purple Modernization (RPM) Phase One project to rebuild 100 year old rail infrastructure and improve transit service. Work will be performed that will affect your community and create inconveniences. We are committed to doing our best to minimize the impact of our work and will continue to keep you updated throughout the project.

Daily Alley Impacts

Dates: Monday, August 31 – Friday, September 28, 2026

Location: W Ainslie Street to W Argyle Street, east side of the tracks

Work Hours: 8am to 3pm (Weekdays)
8am to 3pm (Saturdays)

Work Activity: Curb Installation + Final Site Grading

- The posted dates represent the anticipated work window for these activities. Construction operations may occur intermittently throughout this period and may not take place each day.
- Drivers will not be able to travel through the alley while work is taking place. Residential parking areas will remain accessible throughout construction.
- Properties located at 4900–4950 N Wilton Street, 1100-1112 W Ainslie St, and 1100 to 1113 W Argyle Street may experience intermittent delays entering and exiting parking areas via the alley between the hours of 8:00 a.m. – 3:00 p.m. Traffic flaggers will assist residents with vehicle access while work is occurring.
- On garbage collection days, refuse and recycling bins will be moved to the end of the alley for collection and returned following pickup.
- Residents may experience construction-related noise during work activities, including:
 - General construction noise
 - Backup alarms from construction vehicles and equipment
