RED AHEAD

rpm Modernization

Construction Activity Notice

We are continuing construction on the Red and Purple Modernization (RPM) Phase One project to rebuild 100 year old rail infrastructure and improve transit service. Work will be performed that will affect your community and create inconveniences. We are committed to doing our best to minimize the impact of our work and will continue to keep you updated throughout the project.

Daily Alley Impacts – Extended Dates

Dates: **Friday, October 30th to Monday, November 23rd, 2026**

Location: **Alley west of 4900 – 4950 N Winthrop**
(W Ainslie Street to W Argyle Street) East Side of the tracks

Work Hours: **7am to 5pm (Weekdays)**

7am to 6pm (Saturdays)

Work Activity: Curb Installation + Final Site Grading

Local Impact:

- The posted dates represent the anticipated work window for these activities. Construction operations may occur intermittently throughout this period and may not take place each day.
- No through traffic will be permitted in the alley during work activities; however, access to residential parking areas will remain open and unobstructed.
- Properties located at 4900–4950 N Winthrop Street, 1100-1112 w Ainslie St, and 1100-1113 W Argyle Street may experience intermittent delays entering and exiting parking areas via the alley between the hours of 8:00 a.m. – 3:00 p.m. Traffic flaggers will assist residents with vehicle access while work is occurring.
- On garbage collection days, refuse and recycling bins will be moved to the end of the alley for collection and returned following pickup.
- There will be noise while work is being performed:
    - General construction noise
    - Beeping from backup alarms on construction equipment and vehicles
