

Construction Activity Notice

We are continuing construction on the Red and Purple Modernization (RPM) Phase One project to rebuild 100 year old rail infrastructure and improve transit service. Work will be performed that will affect your community and create inconveniences. We are committed to doing our best to minimize the impact of our work and will continue to keep you updated throughout the project.

Dates: Weekdays & Saturdays
Friday, April 29 to Saturday, May 28, 2022
Dates are subject to change due to weather and construction schedule adjustments.

Location: The alley behind 5500 - 5558 N. Winthrop Avenue
(W. Catalpa Avenue to W. Bryn Mawr Avenue)

Work Hours: 7am to 7pm, with intermittent overnight closures

Work Activity: Track Support Segment Installation

Local Impact:

- Crews will work north to south creating rolling closures in the alley where the gantry crane is staged.
- Vehicles will be unable to access the alley and garages/parking spaces in the area where the gantry crane is staged. Each closure will be ~ 2 days.
- The contractor will notify impacted residents in advance of their garages being blocked and will provide alternative parking.
- If you need further information about alternative parking please contact the contractor, Walsh-Fluor, at 708-253-9772.
- The contractor will maintain garbage and recycling pickup.
- There will be noise while work is being performed. Noise will include:
 - General construction noise
 - Noise from delivering and lifting track segments
 - Beeping for backup alarms on vehicles
