

Construction Activity Notice

We are continuing construction on the Red and Purple Modernization (RPM) Phase One project to rebuild 100 year old rail infrastructure and improve transit service. Work will be performed that will affect your community and create inconveniences. We are committed to doing our best to minimize the impact of our work and will continue to keep you updated throughout the project.

OVERNIGHT NOISE

Dates: Thursday, December 5, 2024 to Saturday, March 29, 2025

Location: CTA's Under Construction Permanent Stations & Track Structure between W. Hollywood Avenue and W. Leland Avenue

Work Hours: 5pm-7am; nightly

Work Activity: Winter Heating for Station Construction & Trackwork

Local Impact:

- Generators will be placed on CTA property with no street, alley, or sidewalk closures.
- Crews will deploy generators to continue work on the under-construction stations at Bryn Mawr, Berwyn, Argyle, and Lawrence through winter.
- Crews will deploy generators during concrete placement and curing on the track structure located between W. Winona Street and W. Leland Avenue.
- There will be noise overnight, noise will include:
 - Heightened noise levels from generator usage
 - Sound blankets will be used to mitigate noise
 - Generators will be placed away from residences
