

Construction Activity Notice

We are continuing construction on the Red and Purple Modernization (RPM) Phase One project to rebuild 100 year old rail infrastructure and improve transit service. Work will be performed that will affect your community and create inconveniences. We are committed to doing our best to minimize the impact of our work and will continue to keep you updated throughout the project.

UPDATED DATES

Date(s): Saturday, April 30 to Tuesday, May 17, 2022

Location:

- The alley behind 4352-4364 N. Kenmore Avenue
- W. Montrose Avenue under the CTA Tracks

Work Hours: 7am – 7pm weekdays; potential weekend work

Work Activity: Lead Abatement and Painting

Local Impact:

- Crews will work south to north creating rolling blockages in the alley during stated work hours.
- Access to garages and parking spaces will be maintained from the alley entrance at W. Buena Avenue.
- The contractor will maintain garbage and recycling pickup.
- There will be traffic lane shifts within the work zone on W. Montrose Avenue until the work activity is completed.
- Sidewalk closures within the work zone on W. Montrose Avenue will alternate between the south and north sides of the street.
- Crews will abate the CTA structure, using the following tools, some of which will produce noise:
 - Containment covers
 - Portable generator and air compressor
 - Power tools
 - A specialized vacuum
 - Environmental monitoring equipment
- Crews will collect paint chips, debris and dust and dispose pursuant to Illinois EPA Guidelines for Hazardous Waste.
