

Construction Activity Notice

We are continuing construction on the Red and Purple Modernization (RPM) Phase One project to rebuild 100 year old rail infrastructure and improve transit service. Work will be performed that will affect your community and create inconveniences. We are committed to doing our best to minimize the impact of our work and will continue to keep you updated throughout the project.

DAILY ALLEY CLOSURES

Dates: Monday, November 13 to Friday, December 22, 2023

Location: W. Ainslie Street to W. Argyle Street

- The alley west of 4900 – 4954 N. Winthrop Avenue
- The alley east of 1128 – 1142 W. Ainslie Street & 4911 – 4941 N. Broadway

Work Hours: 6am-7pm, weekdays & Saturdays

Work Activity: Embankment Wall Demolition & Removal

Local Impact:

- Crews will block access to the alley and garages/parking spaces *directly adjacent to the embankment wall* during stated work hours.
- Access to the alley and garages/parking spaces will be available at the end of each work day.
- **Access to South-East Asia Center School's drop-off location will be maintained from W. Argyle Street or W. Ainslie Street depending on the location of the work. Work that will block access to the drop-off location will be coordinated outside school drop-off times.**
- Vehicles exiting the parking lot at 4925 N. Broadway will be directed to W. Argyle Street or W. Ainslie Street depending on the location of work. Work that will block the exit to the alley will be coordinated to occur during weekdays.
- The contractor will provide alternative parking for impacted residents.
- If you need further information about alternative parking, please contact the contractor, Walsh-Fluor, at cpoole@walshgroup.com.
- The contractor will maintain garbage and recycling pickup.
- There will be noise while work is being performed. Noise will include:
 - General construction noise
 - **Loud Noise from embankment wall demolition**
 - Beeping from backup alarms on construction equipment and vehicles
