

Construction Activity Notice

We are continuing construction on the Red and Purple Modernization (RPM) Phase One project to rebuild 100 year old rail infrastructure and improve transit service. Work will be performed that will affect your community and create inconveniences. We are committed to doing our best to minimize the impact of our work and will continue to keep you updated throughout the project.

UPDATED DATES

EXTENDED PARKING LANE CLOSURES & TRAFFIC SHIFTS

Weekdays & Saturdays

Dates: Friday, July 26 to Saturday, August 24, 2024

Location: W. Lawrence Avenue between N. Broadway and N. Winthrop Avenue

Work Hours: 7am to 7pm, continuous public way impacts

Work Activity: Station Utility Work & Street Reconstruction

Local Impact:

- There will be continuous (24/7) lane shifts on W. Lawrence Avenue between N. Broadway and N. Winthrop until the work activity is complete.
- The parking lanes on both sides of W. Lawrence Avenue between N. Broadway and N. Winthrop will be closed continuously (24/7) until the work activity is complete.
- Sidewalk closures within the work zone will alternate between the north and south side of W. Lawrence Avenue.
- One sidewalk will remain open at all times.
- Access to the alley north of W. Lawrence Avenue on the west side of the CTA Tracks will be maintained via N. Broadway.
- Access to the alley north of W. Lawrence Avenue on the east side of the CTA Tracks will be maintained via W. Ainslie Street.
- Access to the alley south of W. Lawrence Avenue on the east side of the CTA Tracks will be maintained via W. Leland Avenue (*other work activities may impact alley access and will be communicated separately*).
- There will be noise while work is being performed. Noise will include:
 - General construction noise
 - **Loud noise from roadway demolition**
 - Beeping from backup alarms on construction vehicles and equipment
