

# Construction Activity Notice

We are continuing construction on the Red and Purple Modernization (RPM) Phase One project to rebuild 100 year old rail infrastructure and improve transit service. Work will be performed that will affect your community and create inconveniences. We are committed to doing our best to minimize the impact of our work and will continue to keep you updated throughout the project.

**Date(s):** Thursday, December 19 to Friday, December 20, 2024

**Location:** The alley & CTA Structure west of 4230 – 4322 N. Kenmore Avenue

**Work Hours:** 9am to 4pm with overnight data collection

**Work Activity:** Data Collection

**Local Impact:**

- The alley will not be closed.
- Access to garages/parking spaces will be maintained at all times.
- Crews will use a manlift in the alley to install and then remove data collection equipment on the CTA structure.
- A marked utility van with security personnel will be staged overnight under the CTA structure for data collection.
- There will be noise while work is being performed. Noise will include:
  - General construction noise
  - Beeping from backup alarms on construction vehicles and equipment
  - Flagger horns
