

Construction Activity Notice

We are continuing construction on the Red and Purple Modernization (RPM) Phase One project to rebuild 100 year old rail infrastructure and improve transit service. Work will be performed that will affect your community and create inconveniences. We are committed to doing our best to minimize the impact of our work and will continue to keep you updated throughout the project.

UPDATED DATES

Date(s): Friday, August 12 to Friday, August 26, 2022

Location: W. Montrose Avenue under the CTA Tracks

Work Hours: 7am – 5pm
(Prep work will begin at least ½ hour prior to start of shift)

Work Activity: Drip Pan Installation

Local Impact:

- There will be traffic lane shifts within the work zone on W. Montrose Avenue until the work activity is completed.
- Sidewalk closures within the work zone on W. Montrose Avenue will alternate between the south and north sides of the street.
- The contractor will intermittently block access to the alley entrance on the south side of W. Montrose Avenue.
- The contractor will maintain garbage and recycling pickup.
- There will be noise while work is being performed. Noise will include:
 - General construction noise
 - Noise from drilling into steel structure
 - Beeping from backup alarms on construction equipment and vehicles
 - Flagging horns
