

Construction Activity Notice

We are performing work in preparation for extending the Red Line by 5.5 miles from the 95th Street Terminal to 130th Street. The Red Line Extension also includes building four new Red Line stations at 103rd, 111th, Michigan (near 116th) and 130th streets. To build the project, work will be performed that may affect your community. While progress sometimes comes with inconveniences, we will do our best to keep them to a minimum.

DAILY PARKING LANE IMPACTS

Dates: **Monday, April 13 to Friday, April 24, 2026**
Dates are subject to change due to weather & construction schedule adjustments

Locations: 373 W. 111th Street

Work Hours: 7am to 5pm, daily

Work Activity: Locating Underground Utilities and Pavement Restoration

Local Impact:

- There will be parking lane impacts within the work zone while the work is being completed.
- Flaggers will be on-site to assist with traffic flow around the work zones as needed.
- No closures will be put in place until work begins at that location.
- All closures will be removed at the end of each workday.
- There will be noise while the work is being performed. Noise may include:
 - General construction noise
 - Equipment noise from equipment and running air compressors
 - Use of pneumatic tools
- Beeping from back-up alarms on construction equipment and vehicles
- The contractor will implement the necessary dust mitigations throughout the project.
