Red Line Extension

Construction Activity Notice

We are performing work in preparation for extending the Red Line by 5.5 miles from the 95th Street Terminal to 130th Street. The Red Line Extension also includes building four new Red Line stations at 103rd, 111th, Michigan (near 116th) and 130th streets. To build the project, work will be performed that may affect your community. While progress sometimes comes with inconveniences, we will do our best to keep them to a minimum.

DAILY PARKING IMPACTS

Weekdays

Dates: **Monday, March 31 to Wednesday, April 2, 2025**
Dates are subject to change due to weather & construction schedule adjustments

Locations: W. 108th Place from S. Princeton Avenue to the UPRR Tracks

Work Hours: **7am to 5pm, daily**

Work Activity: Soil Borings & Survey

Local Impact:

- Soil boring work will be performed in the street.
- **There will be NO PARKING on both sides of the street from 335 to 352 W. 108th Place.**
- The street will remain open to traffic while the work is being performed.
- The parking restrictions will be removed at the end of each workday.
- There will be noise while the work is being performed.
  Noise will include:
  - General construction noise
  - Equipment noise from soil boring trucks and running air compressors
  - Use of pneumatic tools
  - Beeping from back-up alarms on construction equipment and vehicles
- There will be dust while the work activity is being performed, and the contractor will implement the necessary procedures to mitigate the dust.
- Additional Construction Activity Notices will be provided as work progresses.
