

Construction Activity Notice

We are performing work in preparation for extending the Red Line by 5.5 miles from the 95th Street Terminal to 130th Street. The Red Line Extension also includes building four new Red Line stations at 103rd, 111th, Michigan (near 116th) and 130th streets. To build the project, work will be performed that may affect your community. While progress sometimes comes with inconveniences, we will do our best to keep them to a minimum.

Dates: **Thursday, October 1, to Friday, October 2, 2026**
(Dates are subject to change due to weather and construction schedule adjustments)

Locations: 319 E. 117th Street

Work Hours: 7am to 5pm, weekdays

Work Activity: Underground Storage Tank Removal & Soil Remediation

Local Impact:

- The contractor will excavate, remove, transport and dispose of the old underground storage tank and contaminated soil in accordance with the City of Chicago and Illinois EPA regulations.
- The contractor will implement the necessary procedures to mitigate dust and will use air monitoring equipment to monitor the air quality.
- There will be noise while the work is being performed. Noise may include:
 - General construction noise
 - Noise and vibrations from excavators, air compressors, and vacuum trucks.
 - Beeping from back-up alarms on construction equipment and vehicles
