

Construction Activity Notice

We are continuing construction on the Red and Purple Modernization (RPM) Phase One project to rebuild 100 year old rail infrastructure and improve transit service. Work will be performed that will affect your community and create inconveniences. We are committed to doing our best to minimize the impact of our work and will continue to keep you updated throughout the project.

EXTENDED STREET CLOSURE

Dates: Friday, February 9 to Saturday, March 30, 2024

Location: N. Clark Street from W. Newport Avenue to W. Buckingham Place
W. Roscoe Street from N. Sheffield Avenue to east of the CTA Tracks

Work Hours: 7am-7pm; Weekdays and Weekends (Continuous 24/7 street closure)

Work Activity: Drilled Shaft Installation, Track Substructure Construction, Structural Steel Erection, Sewer Reconstruction, Roadway Reconstruction, Bus Pad Installation & Sidewalk Reconstruction

Local Impact: **N. Clark Street**

- N. Clark Street from W. Newport Avenue to W. Buckingham Place will be closed to all vehicular traffic.
- The sidewalk on the west side of N. Clark Street, south of W. Roscoe Street, will be closed until the work activity is completed.
- The sidewalk on the east side of N. Clark Street will remain open at all times.
- Access to businesses and residences will be maintained at all times.

W. Roscoe Street

- W. Roscoe Street from N. Sheffield Avenue to east of the CTA tracks will be closed to all vehicular traffic.
- The sidewalk on the south side of W. Roscoe Street, west of N. Clark Street, will be closed until the work activity is completed.
- The sidewalk on the north side of W. Roscoe Street will remain open at all times.
- Access to businesses and residences will be maintained at all times.
- The alley on the south side of W. Roscoe Street, just east of the CTA Tracks, will remain accessible.
- There will be noise while work is being performed. Noise will include:
 - General construction noise
 - Noise and vibration from drilling and hauling material
 - Noise from crane lifting and setting equipment
 - **Loud noise from roadway and sidewalk demolition**
 - Beeping from backup alarms construction equipment and vehicles
 - Flagger horns
