RED AHEAD

rpm Modernization

Construction Activity Notice

We are continuing construction on the Red and Purple Modernization (RPM) Phase One project to rebuild 100 year old rail infrastructure and improve transit service. Work will be performed that will affect your community and create inconveniences. We are committed to doing our best to minimize the impact of our work and will continue to keep you updated throughout the project.

UPDATED DATES

ALLEY IMPACTS

Dates: **Monday, August 4 to Saturday, August 16, 2025**

Location: The alley behind:
- **1015 – 1041 W. Newport Avenue**
- **1014 – 1044 W. Roscoe Street**

Work Hours: **7am – 5pm; weekdays & Saturdays**

Work Activity: Flyover Drip Pan Installation Preparation

Local Impact:

- Crews will be working in the alley preparing the structure for future drip pan installation under the Brown Line Flyover.
- Access to the alley and garages/parking spaces behind 1015 – 1041 W. Newport Avenue & 1014 – 1044 W. Roscoe Street will be maintained with delays during work hours for crews to move.
- The north/south alley just east of N. Seminary Avenue will not be impacted.
- There will be additional impacts to the alley and garages/parking spaces. Advance notification will be provided.
- There will be noise while work is being performed. Noise will include:
  - General construction noise
  - Beeping from backup alarms on construction equipment and vehicles
  - Flagging horns
