RED AHEAD

rpm Modernization

Construction Activity Notice

We are continuing construction on the Red and Purple Modernization (RPM) Phase One project to rebuild 100 year old rail infrastructure and improve transit service. Work will be performed that will affect your community and create inconveniences. We are committed to doing our best to minimize the impact of our work and will continue to keep you updated throughout the project.

EXTENDED LANE CLOSURE

Dates: **Monday, June 2 to Tuesday, July 15, 2025**
Anticipated duration for entire activity to complete

Location: W. School Street between N. Sheffield Avenue and N. Wilton Avenue

Work Hours: **7am to 5pm; continuous, 24/7, lane closure**

Work Activity: Street Reconstruction

Local Impact:

- Work will take place in multiple stages, with the first stage of work taking place on the south half of the street for approximately 14 days. Advance notice of stage & impact changes will be provided.
- The south half of W. School Street between N. Sheffield Avenue and N. Wilton Avenue will be closed. Traffic will be shifted to the north half of the street around the work zone.
- The sidewalk on the south side of W. School Street at the CTA Tracks will be closed.
- The sidewalk on the north side of W. School Street will remain open at all times with flagger assistance when necessary.
- Access to the alleys on the north side of W. School Street, on both sides of the CTA Tracks, will remain accessible.
- Access to the alley on the south side of W. School Street, on the west side of the CTA Tracks, will be maintained via W. Belmont Avenue.
- **Access to the parking spaces behind 3257 N. Sheffield Avenue will be restricted. Alternative parking is available, please contact the contractor at cpoole@walshgroup.com.**
- Garbage and recycling for 3257 N. Sheffield Avenue will be relocated to W. School Street. *(Do not attempt to use the portion of the alley directly behind 3257 N. Sheffield Avenue unless in an emergency situation).*
- There will be noise while work is being performed, including:
  - General construction noise
  - **Loud noise from pavement demolition**
  - Beeping from backup alarms on construction equipment and vehicles
