

Construction Activity Notice

We are continuing construction on the Red and Purple Modernization (RPM) Phase One project to rebuild 100 year old rail infrastructure and improve transit service. Work will be performed that will affect your community and create inconveniences. We are committed to doing our best to minimize the impact of our work and will continue to keep you updated throughout the project.

Date(s): Monday, September 19 to Friday, December 2, 2022

Location: Underneath the CTA elevated tracks behind:
- 3501-3527 N. Sheffield Avenue
- 3500-3524 N. Wilton Avenue
- 934-938 W. Cornelia Avenue

Work Hours: 7am – 7pm weekdays, with potential weekend work

Work Activity: Equipment Mobilization & Lead Abatement & Painting

Local Impact:

- The alley will remain open with intermittent blockages during equipment mobilization and waste pickup.
- ***Beginning October 3, 2022, residents of 3500-3522 N. Wilton Avenue and 934-938 W. Cornelia Avenue will be unable to enter/exit garages and parking spaces underneath the CTA tracks while work is being performed.***
- The contractor will provide alternative parking for impacted residents.
- If you need further information about alternative parking, please contact the contractor, Walsh-Fluor, at 708-253-9772.
- The contractor will maintain garbage and recycling pickup.
- Crews will abate and paint the CTA structure, using the following tools, some of which will produce noise:
 - Containment covers
 - Portable generator and air compressor
 - Blast Equipment & Power tools
 - A specialized vacuum
 - Environmental monitoring equipment
- Crews will collect paint chips, debris and dust and dispose pursuant to Illinois EPA Guidelines for Hazardous Waste.
