RED AHEAD

rpm Modernization

Construction Activity Notice

We are continuing construction on the Red and Purple Modernization (RPM) Phase One project to rebuild 100 year old rail infrastructure and improve transit service. Work will be performed that will affect your community and create inconveniences. We are committed to doing our best to minimize the impact of our work and will continue to keep you updated throughout the project.

NO PARKING UNDER L

Date(s): **Monday, June 9 to Wednesday, June 11, 2025**

Location: Underneath the CTA elevated tracks west of:
- 3500 – 3550 N. Wilton Avenue
- 934 – 938 W. Cornelia Avenue

Work Hours: **7am – 3pm**

Work Activity: Temporary Cable Removal

Local Impact:

- There will be NO PARKING under the CTA Tracks west of 3500 – 3550 N. Wilton Avenue & 934 – 938 W. Cornelia Avenue during stated work hours.
- There will be access to the space under the CTA Tracks outside of the stated work hours. *Vehicles must be removed by 7am on work days.*
- **Vehicles that are not removed during work hours will be relocated. If your vehicle is relocated, please call 311.**
- Access to the alley and N. Sheffield Avenue garages/parking spaces, on the west side of the CTA Tracks, will remain accessible.
- There will be noise while work is being performed. Noise will include:
  - General construction noise
  - Noise from backup alarms on construction equipment and vehicles
