

Construction Activity Notice

We are continuing construction on the Red and Purple Modernization (RPM) Phase One project to rebuild 100 year old rail infrastructure and improve transit service. Work will be performed that will affect your community and create inconveniences. We are committed to doing our best to minimize the impact of our work and will continue to keep you updated throughout the project.

OVERNIGHT WORK WITH ALLEY & SIDEWALK IMPACTS

Weekend-Weekday/Overnight Work

- Dates:** Sunday, January 19 to Friday, January 31, 2025
- Location:**
- CTA's Under Construction Structure between W. School Street and approx. 350ft north
 - W. School Street at the CTA Tracks
 - The alley west of 918 W. School Street & 3324 – 3328 N. Clark Street
- Work Hours:** Continuous around the clock work and impacts
- Work Activity:** Trackwork & Structure Heating for Concrete Pour
- Local Impact:**

- Crews will utilize the alley west of 918 W. School Street & 3324 – 3328 N. Clark Street for equipment and material delivery and crane staging at the north end.
- Access to the parking garage to 918 W. School Street will be maintained at all times with intermittent delays during equipment and material delivery.
- Access to parking spaces behind 3326 N. Clark Street will be restricted at times and the contractor, Walsh-Fluor, will arrange alternative parking directly.
- The sidewalk on the north side of W. School Street at the CTA Tracks will be closed until the work activity is complete.
- The sidewalk on the south side of W. School Street will remain open at all times with flagger assistance when necessary.
- There will be noise while work is being performed, **including overnight noise:**
 - General construction noise
 - Noise from lifting and setting material and equipment
 - Heightened noise levels from generator usage
 - Sound blankets will be used to mitigate noise
 - Beeping from backup alarms on construction equipment and vehicles
 - Flagging horns
