

Construction Activity Notice

We are beginning utility equipment relocation work as we move closer to making future 'L' improvements under the Red and Purple Modernization Phase One Project. Work will be performed that may affect your community and create occasional inconveniences. We will do our best to minimize the impact of our work and will continue to keep you updated.

Dates: Weekdays
Monday, June 25 to Monday, July 16, 2018

Work Activity: ComEd Overhead and Underground Utility Work

Work Hours: 8am to 8pm, daily

Location: Both alleys north of Belmont Avenue between Sheffield Avenue and Clark Street

Local Impact:

- While work is being performed there will be:
 - o Curb/parking restrictions
 - o Occasional sidewalk closures in the work zone
 - o Traffic lane changes
 - o Alley closures
- There will be noise while work is being performed.
Noise may include:
 - o General construction noise
 - o Running air compressors, excavators and generators
 - o Truck traffic
 - o Beeping from backup alarms on construction equipment and vehicles
- Work will not impact CTA rail service and will therefore occur during daytime hours.
- More detailed and localized Construction Activity Notices will be provided as work progresses.
- Contractor will maintain access for garbage pickup in the alley during closures.

If you have any questions or concerns about the work activity, please call:
