

Construction Activity Notice *(Revised Dates)*

As we move closer to making future 'L' improvements as part of the Red and Purple Modernization (RPM) Phase One project, we are performing track improvements next to the Red Line Addison Station. This is important work to ensure our tracks are in good shape in that location ahead of beginning the RPM work. There will be impacts to your community, though we will do our best to keep them to a minimum. We thank you for your patience.

Dates: **Weekdays and Weekends**

Friday, March 8 through Monday, April 1, 2019

Work Hours: **Continuous (Daytime and Nighttime)**

Location: Southbound CTA Red and Purple Line tracks between W. Waveland Ave. and W. Cornelia Ave.

Work Activity: Trackwork

Local Impact:

- There will be noise while the work is being performed. Noise may include:
 - Beeping from backup alarms on maintenance equipment and vehicles
 - Power tool noises (including jackhammers)
 - Equipment engines and diesel generators
 - Flagging horns
 - Material handling noises
 - Railroad personnel communication
- Construction activity will take place during daytime and nighttime hours.
- Residents will see an increased presence of Contractor personnel at and below the CTA structure between Waveland Ave. and Cornelia Ave. throughout the project.
- Barricades will be installed at various locations for resident and Contractor safety.
- Intermittent street and sidewalk closures may occur. Alleys may also be partially blocked during construction activities.
- Rail service may be affected at times. To receive emails or text messages regarding a specific CTA bus/rail route, please sign up for CTA Updates at www.transitchicago.com/updates.
- Curb lanes may be temporarily closed during the work.

If you have any questions or concerns about the RPM Project,
