

President's Report

Union Agreement

Unprecedented 5-Year Union Contract

June 27 Press Announcement

- Mayor Daley, Chairman Brown and President Huberman
- All 17 of CTA's labor unions

Our united message...

CTA management, its employees and unions all recognized that we have to be part of the solution and address escalating pension and healthcare costs.

Unprecedented 5-Year Union Contract

- **Contingent on General Assembly action**
- **Affects 10,200 employees - 88% workforce**
- **Covers period from 1/1/07 – 12/31/11**
- **Includes pension and healthcare reforms**
- **Used innovative ideas borrowed from best practices in the private sector**
- **Will enable CTA, working in partnership with its unions, to:**
 - **Reduce its costs**
 - **Ensure the viability of its pension system, and**
 - **Manage itself more like a business**
- **This agreement will lay the groundwork for improvements going forward**

CTA Staff and Structural Changes

Contingency Plan Lay Off Notifications

Lay Off Letters

- **Letters of notification sent out**
 - 1,094 employees
- **60-day notification requirement**
 - US and IL Worker Adjustment and Retraining Notification Acts
- **Majority of the positions directly related to proposed service cuts if no General Assembly action**
- **If funding solution is reached, service reductions and resulting job reductions will be canceled immediately**

Slow Zone Plan

Slow zone elimination a major priority

- **Additional work removes 8 slow zone miles**
- **Blue Line:**
 - **Division To Grand Avenue**
- **Red Line:**
 - **Armitage to Diversey (Red Line/Brown Line)**
 - **Clark/Division to Lake**
- **Blue Line reconstruction**
 - **Specs completed Addison to O'Hare**
 - **15 month time table**

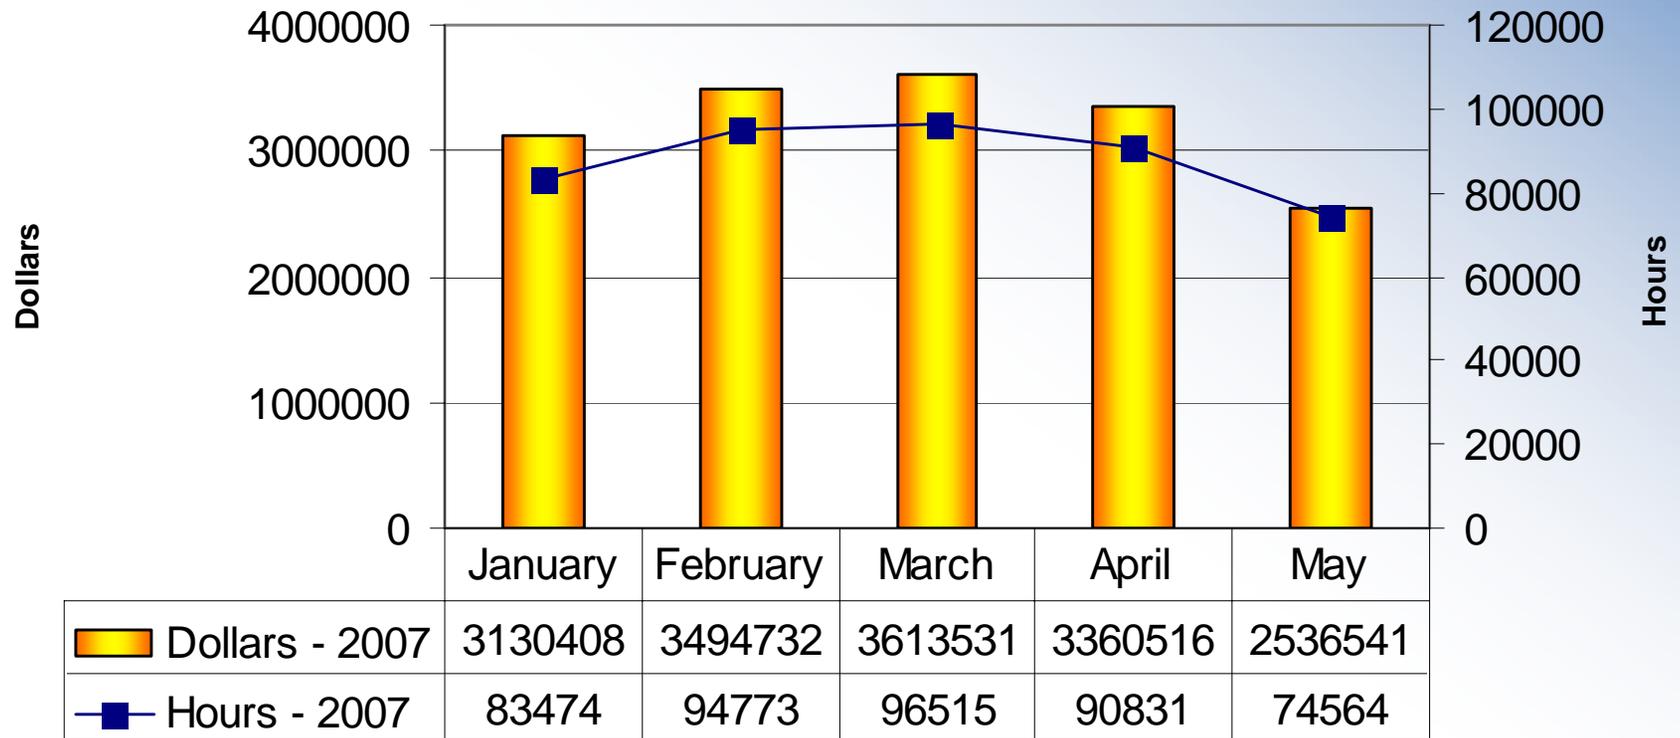

May Financials

\$1.9 million overtime surplus in May

Ridership

Ridership up in May

44.2 million rides

Improving Safety and Customer Response

Safety Next Steps

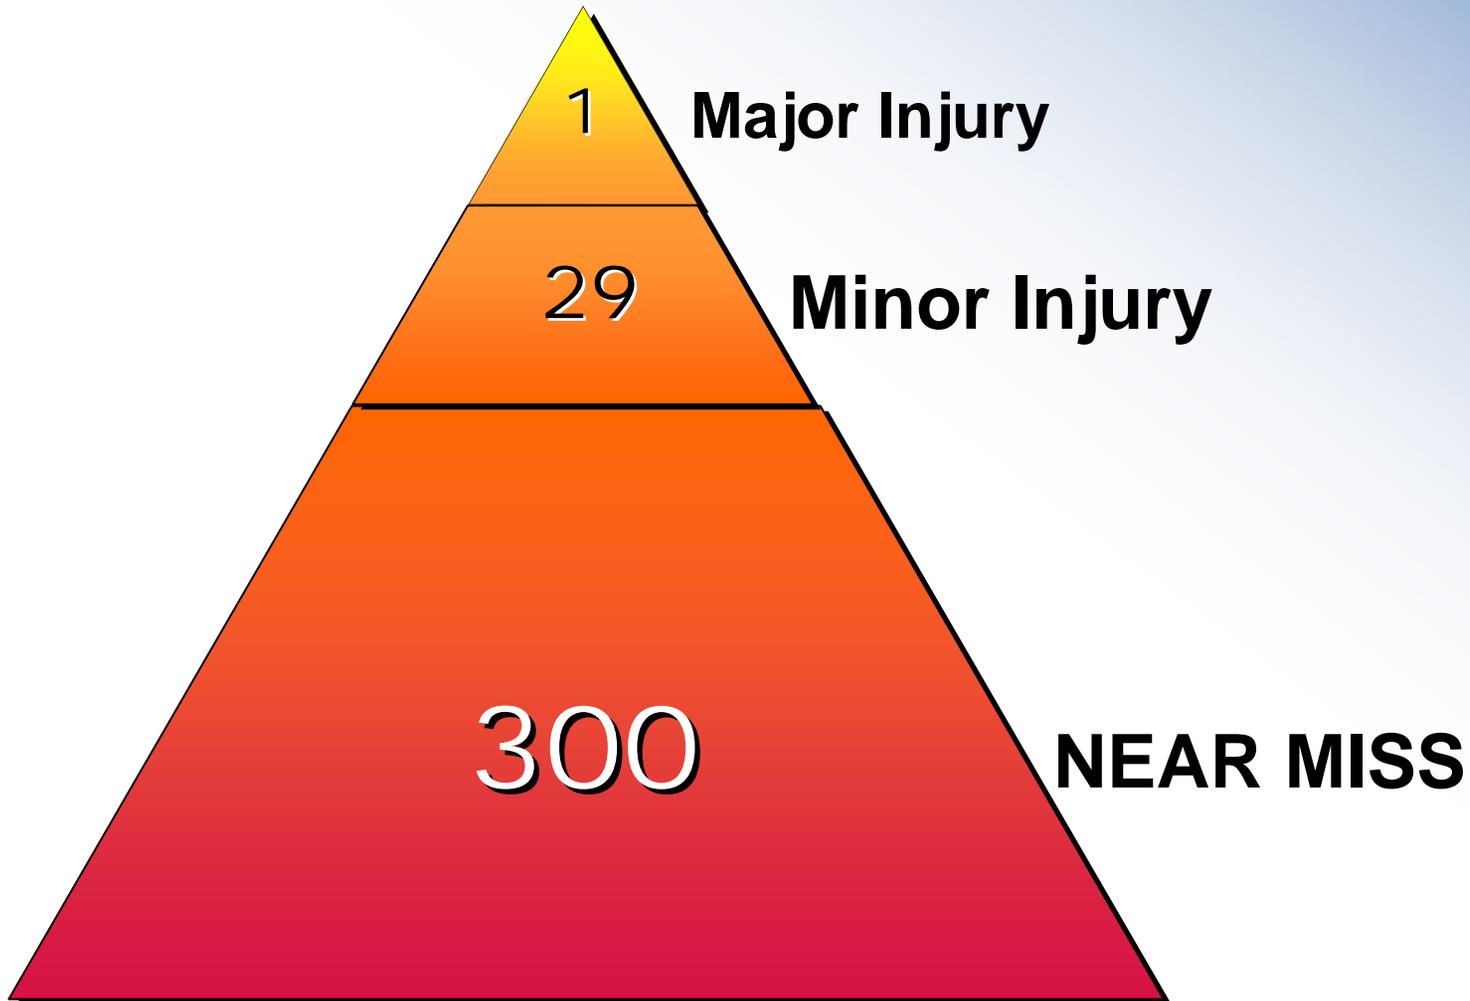

- 1. Protocol Review/Formation**
- 2. Task Force formation**
- 3. Training of personnel**
- 4. Table tops/Field Drills**
- 5. CTA Employee Safety Hotline**
- 6. Independent Expert review of command and control systems**

Technology Tool Provides Proactive Approach to Safety

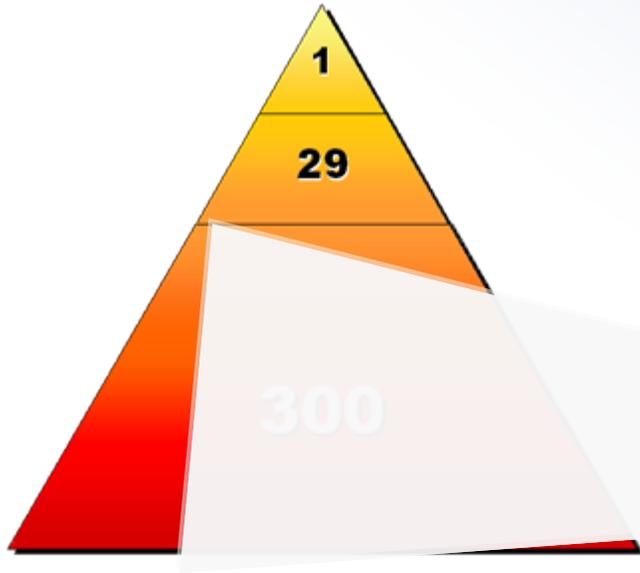

- Most collisions are NOT the result of a 1-time mistake

Heinrich's Pyramid

Technology focuses on prevention

DRIVECAM®

How DriveCam works

① Video camera records event

- Mounted on windshield
- Triggers on unusual motion or force
- Captures 10 seconds both before and after event
- Records video and audio looking forward and backward

How DriveCam works

② Incident downloaded

- Recorder detects the wireless signal as bus approaches garage
- Downloading begins automatically
 - No driver interaction
 - Download takes seconds

How DriveCam works

② Incident download

- Recovering the recording at accident scene

How DriveCam works

③ Driving behavior experts analyze tapes

- CTA emails data to DriveCam

3

How DriveCam works

④ Daily, weekly, monthly reports

Reviewer Comments:
The camera was triggered by hard cornering.

near passengers were not wearing seatbelts. This has been on this day while operating the vehicle. This is in violation of company policy and the driver may be going to fail for the conditions and location
