CTA IN BRIEF

The Chicago Transit Authority (CTA) provides bus and rail service to Chicago and 35 surrounding suburbs. On an average weekday, over a million rides are taken on the CTA. The CTA operates the nation’s second largest public transportation system with thousands of buses and rapid transit rail cars.

The CTA is an integral part of Chicago’s image and history. CTA’s elevated rapid transit train (the ‘L’) has been featured in hundreds of movies, television programs, print ads, commercials, and documentaries. Inclusion of CTA’s historic ‘L’, which dates back to 1892, shows that your production was filmed on location in Chicago.

Basic Overview of Rules and Requirements

Rush hour film projects are prohibited. For filming purposes, the rush hour period is defined as Monday through Friday, 6:00 a.m. – 9:00 a.m. and 3:00 p.m. – 7:00 p.m.

Payment of the Right of Entry fee, any rental fees, estimated labor costs, proof of appropriate insurance on CTA’s approved insurance form, and a security deposit are all required prior to start of production. Labor needs and costs are determined by CTA. Labor costs include bus/rail supervision and any other CTA personnel needed. You are required to have a copy of the executed Agreements at all times while filming or taking photographs on CTA property.

All cancellations must be made in writing prior to 12:00 p.m. on the day preceding the scheduled production date. If the event is scheduled for Sunday, then a cancellation notice must be submitted by 12:00 p.m. on the preceding Friday. If cancellation is not received by the Chicago Transit Authority in accordance with the provisions set forth above, then the Applicant will be liable for the labor expenses as set forth in the CTA’s Estimate of Cost Statement.

Security Deposits will be refunded within 30 days of the last day of the event if all rules and restrictions are followed and the CTA vehicles and/or facilities are left clean and without damage. Applicant agrees that the Chicago Transit Authority may retain part or all of the security deposit to cover any costs for additional clean-up or restoration of vehicles or stations due to damage to station property. Applicant also agrees to reimburse the Chicago Transit Authority for any additional costs for clean-up and restoration of vehicles or stations should these costs exceed the amount of the security deposit.

Applicant will indemnify and defend the Chicago Transit Authority, its officials, agents, and employees (the “Indemnities”) against any losses, costs, damages, liabilities, claims, suits, actions, causes of action, and expenses that the Indemnities may suffer, incur, or sustain, or for which it or they may become liable, resulting from, arising out of, or relating to any negligence or intentional misconduct by the applicant or the sponsoring organization, its officers, employees, or any person under its control in connection with this project.

Applicant agrees that the Chicago Transit Authority may retain part or all of the security deposit as a punitive measure if the applicant misrepresents any part of the production/event as presented for approval or if the applicant or any party of the applicant’s production/event should fail to abide by the terms of the executed Right of Entry, Rental, Bailee or Labor Costs Agreements, all laws, statutes, ordinances, rules, regulations, codes, and executive orders of the Chicago Transit Authority, the City of Chicago, the State of Illinois, and the United States of America.

I do affirm I have read the basic terms and conditions outlined in this document and agree to abide by them.
