Rail Safety

1. Never go onto the tracks for any reason.
2. While waiting for the train, stay behind the blue platform edge.
3. Sit down or hold on tight to poles and listen carefully to announcements from the train operator.
4. Be careful and watch your step getting on and off the train.

Bus Safety:

1. Always use the crosswalks. Never run out into the street.
2. Remain seated while bus is moving, or hold on to a pole or a strap.
3. When your stop is next, pull the rope or ask a grownup to help you.
4. Never walk or run in front of the bus.
