Welcome.

The purpose of this open house is to obtain community input as the CTA plans for improvements at the 95th Street bus and rail terminal. The CTA wants to know how the terminal can better serve you as we begin design on this federal, state, and CTA-funded project.

If you have questions, feel free to ask the representatives stationed around the boards and workstations.
About 95th Street Terminal

- The CTA Red Line runs 24 hours per day and carries 40% of all CTA train riders.
- 13 CTA bus routes, 5 Pace suburban bus routes, and 10 Greyhound & Indian Trail intercity buses serve the station, including paratransit (ADA) service.
- More bus routes serve this terminal than any other station on the system.
- The terminal serves approximately 20,000 average weekday customers.
- Approximately 300,000 people live within one-half mile of the CTA bus routes serving the terminal.

Bus Routes Serving 95th Street Terminal
Existing Layout

- Pedestrians Have To Cross Bus Area
