• Technical Assistance
  • CTA Contracting Strategies
  • Contract Research
  • Marketing to the Primes
Building Small Businesses Program

Building Small Businesses (BSB) is an immersive financial capacity building program tailored for small business acceleration.

Thursday, September 21, 2023
5:30 - 7:30 pm
Virtual Meeting
(connection details provided at registration)

BSB will provide programming focused on:
- Financial Management
- Access to Capital Sourcing
- Technical Assistance & Back Office Support
- Procurement Connections

For more information contact:
Ellen Marshall | ellen@zanninc.com | 720.390.9057

For more information Contact:
Suzanne Arkle
Project Manager / Ascend HI
suzanne@zanninc.com
720.324.8580
BSB By The Numbers

- 250+ participating small businesses
- $13M in financing awarded to small businesses
- 30+ small businesses financed
- 144 small businesses receiving technical assistance
Workforce

This unit works collaboratively with key stakeholders to provide opportunities in the trades and professional service industry.

Construction Goals

- **Careers Opportunity Goal** – Section 3 workers & Workforce Innovation & Opportunity Act (WIOA)-enrolled
- **Union Apprentice Goal** – Union apprentices
- **Economically Disadvantaged Area Goal (EDA)**
  Candidates residing in zip codes with a median income of $45K or less (CTA Service Area)

Professional Services

- **Economically Disadvantaged Area Goal (EDA)**
  Candidates residing in zip codes with a median income of $45K or less (CTA Service Area)

How To Prepare For Upcoming Opportunities

• Register as a vendor with CTA
  https://cta.dbesystem.com/

• DBE certification

• Procurement Portal
  https://transitchicago.bonfirehub.com/portal/tab=openOpportunities

• Networking Events
  Meet with prime contractors on CTA projects and begin to build valuable business relationships
Red Line Extension

Kevin Tracey,
Project Manager, RLE
Project Overview

Project Scope

- 5.6-mile heavy rail extension

- Four new stations:
  - 103rd Street (near Eggleston)
  - 111th Street (near Eggleston)
  - Michigan Avenue (near 116th Street)
  - 130th Street (at Altgeld Gardens)

- Multimodal connections at each station including bus, bike, pedestrian, and park & ride facilities

- Train storage yard and maintenance facility at 120th Street
**Project Schedule**

- **2023**
  - Accomplishments to date:
    - Transit TIF approved
    - Phase 1 Procurement completed
    - Transit-Supportive Development Plan adopted
    - Project Development completed
    - Federal funding announcement - $2B

- **2024**
  - We Are Here
  - Phase 2 Procurement Process started

- **2025-2029**
  - Anticipated Receipt of Federal Funding*
  - Project Opening
  - Construction*

**Notes:**
- Milestones dependent on funding and approvals.
- Transit Tax Increment Financing (TIF)
- *Exact dates subject to further refinement as project advances."
RLE Design-Build Short-List Contractors

- FH Paschen, Ragnar Benson, Millhouse and BOWA Joint Venture
- Kiewit Infrastructure Company
- Walsh VINCI Transit Community Partners
  - Request for Proposals (RFP)
    - Issued to short-list firms in September 2023
    - Expected to be awarded Q4 2024

Scope: Final design and construction of mainline ROW, structures, tracks, signal system, traction power system, stations and parking facilities

Opportunities will include trade work and professional services.

Upcoming Roadshows to Meet the Contractors, check the website: https://www.transitchicago.com/rle/
DBE Outreach Event

Bill Polacek
General Manager, Capital Construction
Upcoming Design Task Orders/Procurements
Upcoming Design Task Orders/Procurements

ASAP Belmont and Irving Park Stations

- Project Scope:
  - Installation of elevators to provide vertical accessibility
  - Overall ADA improvements to exiting and passenger circulation
  - Additional exits at Belmont to improve egress
- Project Cost: ~ $102M (both stations)
- Procurement
  - GEC Design Procurement: Q1 2024
ASAP Pulaski Station

• Project Scope:
  • Installation of elevators to provide vertical accessibility
  • Overall ADA improvements to exiting and passenger circulation
  • Structural improvements required for station and ramp improvements

• Project Cost: ~ $71M

• Procurement
  • GEC Design Procurement: Q2 2024
eBus- Route 66 Phase 2 - Chicago Garage, Chicago-Austin BTA, Navy Pier BTA

• Project Scopes:
  • Garage and turnaround modernizations to support electric buses
  • Installation of limited charging pantographs throughout the facility
  • Electrical connection upgrades

• Project Costs: ~ $20M

• Procurement Details
  • GEC Design Procurement: Q4 2023
South Mainline and Englewood Branch - 59th Junction and Dan Ryan Curves Track Rehabilitation

• Project Scopes:
  • Special trackwork and track reconstruction at 59th Junction
  • Track reconstruction over Dan Ryan Curves
  • State of good repair improvements within project limits

• Project Costs: ~$19M

• Procurement Details
  • GEC Design Procurement : Q1 2024
Traction Power Upgrades - DC Breaker Replacement and 95th Substation

- Project Scopes:
  - Replacement of one transformer at 95th Substation
  - Replacement of DC Breakers to modernize and provide spare parts for similar substations
  - Other state of good repair improvements.

- Project Costs: up to $15M

- Procurement Details
  - GEC Design Procurement : Q4 2023
Englewood Line - Racine Station - Station Renovation

• Project Scopes:
  • Project will review the requirements and high level cost to reopen the station to passenger operations.
  • Work required is extensive to modernize the station to current accessibility and operational standards
  • Review any necessary or recommended improvements or changes to the adjacent maintenance shop which was constructed
  • Public engagement and coordination throughout planning study duration

• Procurement Details
  • GEC/SBE Design Procurement (Planning Study): Q2 2024
103rd Bus Garage – Roof Replacement

• Project Scopes:
  • Replaces the full roof at the garage storage area, transportation building, and the skylight systems over the atrium between the transportation office and garage.

• Project Costs: ~ $26M

• Procurement Details
  • GEC/SBE Design Procurement : Q2 2024
eBus Full Garage Conversions

- Project Scopes:
  - Chicago and 103rd Bus Garages
  - Garage and turnaround modernizations to support electric bus
  - Electrical upgrades including new substation buildings
  - Fire protection and life safety modernizations
  - Installation of charging pantographs throughout the facility
  - Other state-of-good repair enhancements

- Project Costs: ~ $280M (~ $140M each garage)

- Procurement Details
  - Design RFP: Q1 2024
Upcoming Construction Projects
Upcoming Construction Projects

ASAP California Station

• Project Scope:
  • Installation of elevators to provide vertical accessibility
  • Overall ADA improvements to exiting and passenger circulation

• Project Costs: $36M

• Procurement Details:
  • Construction Procurement RFP: Q2 2024
Upcoming Construction Projects

Elevator Modernization

• Project Scope:
  • Rehabilitate approximately 16 elevators throughout the system.
  • Additional targeted improvements to elevator floors, doors, and sills will be performed at other locations
• Project Costs: up to $35M
• Procurement Details:
  • 2-3 packages
  • Mid-Con Construction Procurement: Q3 2024
Upcoming Construction Projects

Cicero Pink Line Grade Crossing

- Project Scope
  - Replacement of grade crossing at Cicero Avenue and Pink Line
  - Install pre-cast concrete panels
  - Ballast, drainage, and crossing gate mechanisms
  - Asphalt approaches on Cicero Avenue
  - MOT and IDOT coordination

- Project Costs: $6.7M

- Procurement Details
  - Mid-Con Construction Procurement: Q2 2024
Upcoming Construction Projects

Lake Street Bridge Replacement Track Improvements

• Project Scope:
  • Replacement of track system and signal system element within project limits
  • Replacement of track and special trackwork approaching bridge
  • Project is being constructed in conjunction with CDOT bridge replacement

• Project Costs: $8.1M

• Procurement Details:
  • Mid-Con Construction Procurement: Q1 2025
Upcoming Professional Services
Professional Services

General Engineering Contract – IV

• Project Scope
  • Solicit of qualified professional consulting firms with multidisciplinary expertise in civil, structural, mechanical, electrical and architectural engineering to provide as-needed General Engineering Consultant (GEC) services in support of the delivery of Infrastructure projects.

• Procurement Details
  • Advertise: October 2023
