ALLEY CLOSURES

TYPES OF ALLEY CLOSURES

» DAILY ALLEY CLOSURES (EAST & WEST ALLEYS)

- Temporary alley closures will occur Mondays through Fridays during daytime hours.
- Daily alley closures are not anticipated to occur on weekends.
- During closures, garbage removal will be maintained.

» EXTENDED ALLEY CLOSURES (EAST ALLEY)

- Extended alley closures are required for long-term construction activities.
- Alleys immediately east of the CTA tracks will experience extended closures while track structures (including the foundations and retaining walls) are built.
- No single block will experience more than 5 months of alley closures throughout the project duration.
- During extended alley closures, alternative parking will be provided and garbage removal will be maintained.
