

Red Line Extension Transit-Supportive Development Plan Community Meeting December 8, 2021

Thank you for joining us! The meeting will begin shortly.

This meeting will be recorded and available online after the meeting at transitchicago.com/RLE and Facebook.com/CTARedExt

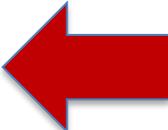

To switch to Spanish Audio, you must join the meeting through Zoom. Look for the interpretation icon in the toolbar.

Audio de la presentación disponible en español solamente con asistencia por Zoom. Busque el icono de interpretación.

Red Line Extension

Transit-Supportive Development Plan Community Meeting – Part 2 December 8, 2021

- **Meeting Format** 
- Prior Community Outreach
- Office Hours
- Red Line Extension Project: Overview and Benefits
- Transit-Supportive Development Plan: Introduction
- Community-wide Planning Partners
- Economic Development Plan
- Land Use & Development
- Next Steps
- Breakout Session
- Closing Statements & Wrap Up

This meeting will be recorded and available online after the meeting at
transitchicago.com/RLE and [Facebook.com/CTARedExt](https://www.facebook.com/CTARedExt)

Over Email:

- RedExtension@transitchicago.com

If joining by Zoom, use chat:

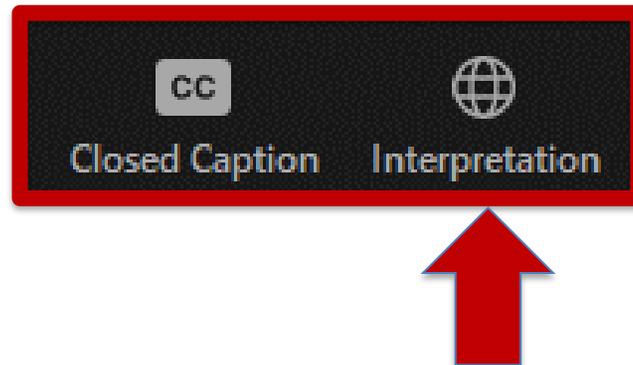

- At the bottom of the window, click chat.
- When you click on chat, a window will appear where you can type comments and questions and see others' comments/questions. A project team member will be reviewing your comments and questions in the chat.

Questions left on Facebook will NOT be answered. CTA will view them but if you want a response, please use the project email or Zoom chat function.

Answers will be posted to transitchicago.com/RLE/TSD following the meetings

To turn on captioning, click the icon in the Zoom toolbar:

Audio de la presentación disponible en español

1. Busque el icono de interpretación en la barra de webinar de Zoom. Le mostramos el icono en esta diapositiva para ayudar a reconocerlo.
2. Haga clic en el icono y seleccione “Spanish” para escuchar al intérprete en la reunión.

Para escuchar al intérprete en español usted debe ingresar a la reunión a través del webinar de Zoom, no a través de Facebook o por teléfono.

Current/Ongoing Plans

-  Red Line Extension (RLE)
-  RLE Transit-Supportive Development Plan
-  INVEST South West Corridors**
-  Roseland Medical District Planning**
-  Far South Chicago Coalition Quality of Life Plan
-  Historic Preservation Study (Michigan Ave)**
-  Chicago State University / 95th Street**
-  South Halsted Bus Corridor Enhancement
-  Illinois Port District Master Plan
-  Metra Electric (Station Updates)
-  Community Economic Development Empowerment Project

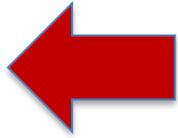

The Far South Chicago Coalition (FSCC) is comprised of caring community leaders, business owners & engaged residents working together to create a thriving community.

The FSCC is working to create solutions to resolve some of the disparities and lack of resources in the neighborhoods that make up Far South Chicago.

Quality-of-Life Plan

1. Education
2. Housing
3. Youth & Family Service
4. Social Justice
5. Green Space & Technology
6. Economic Development
7. Health/Wellness & Mental Health
8. Workforce Development
9. Tourism & Transportation

- Breakout Session
- Closing Statements & Wrap Up

This meeting will be recorded and available online after the meeting at
transitchicago.com/RLE and Facebook.com/CTARedExt

- Overview of the Economic Development Plan
- Economic Development Plan vision and goals
- Conditions of balanced and responsible development
- Community wealth building
- Community partners

The Economic Development Plan...

- Establishes a **vision** for economic development
- Establishes **goal setting** and **implementation strategies** that address the key elements of community **sustainability** and **growth** identified in the community engagement process
- Supports and informs the land use and development strategies in the TSD Plan

Vision Statement

The RLE will serve as a **catalyst** towards achieving the community's vision for **regional prosperity**, improved **quality of life**, and community **wealth generation**.

Strong and prosperous communities will benefit from **diverse housing options** meeting the needs of all residents, successful commercial districts with **thriving businesses** and **workforce advancement, neighborhood activity** and **connectivity**.

Overview: Goals

Goal 1: Encourage

Vibrancy and Resiliency

Strong and prosperous communities enable people to live, work, shop and socialize in their communities through ease of access and affordability.

Goal 2: Identify, Enable and Promote Existing Commercial and Cultural Assets

Strong, prosperous communities celebrate destination points and community anchors and use them to stimulate development and build momentum.

Overview: Goals

Goal 3: Retain and Expand Local Businesses

Strong and prosperous communities thrive when local businesses can grow in place, expanding workforce and talent retention.

Goal 4: Attract New Local Businesses

Strong and prosperous communities continue to evolve and grow their business base.

Overview: Goals

Goal 5: Provide Access to Education and Workforce Training

Strong and prosperous communities rely on a robust collaboration between workforce training and economic development contributors.

Goal 6: Promote Wellness

Strong and prosperous communities have access to fresh food choices, wellness services and medical care.

Overview: Goals

Goal 7: Broaden Access to Quality Housing

Strong and prosperous communities offer existing and future residents long-term opportunities to own or rent quality housing.

Goal 8: Achieve Equitable Economic Development

Strong and prosperous communities enable all residents, regardless of gender, race or ethnic background the ability to live, work, shop and socialize in their communities through ease of access and affordability.

Overview: Goals

Goal 9: Drive Community Wealth Building and Generational Prosperity

Strong and prosperous communities encourage opportunities for inclusive community wealth building and generational stability through wide-ranging access to housing, employment, and services.

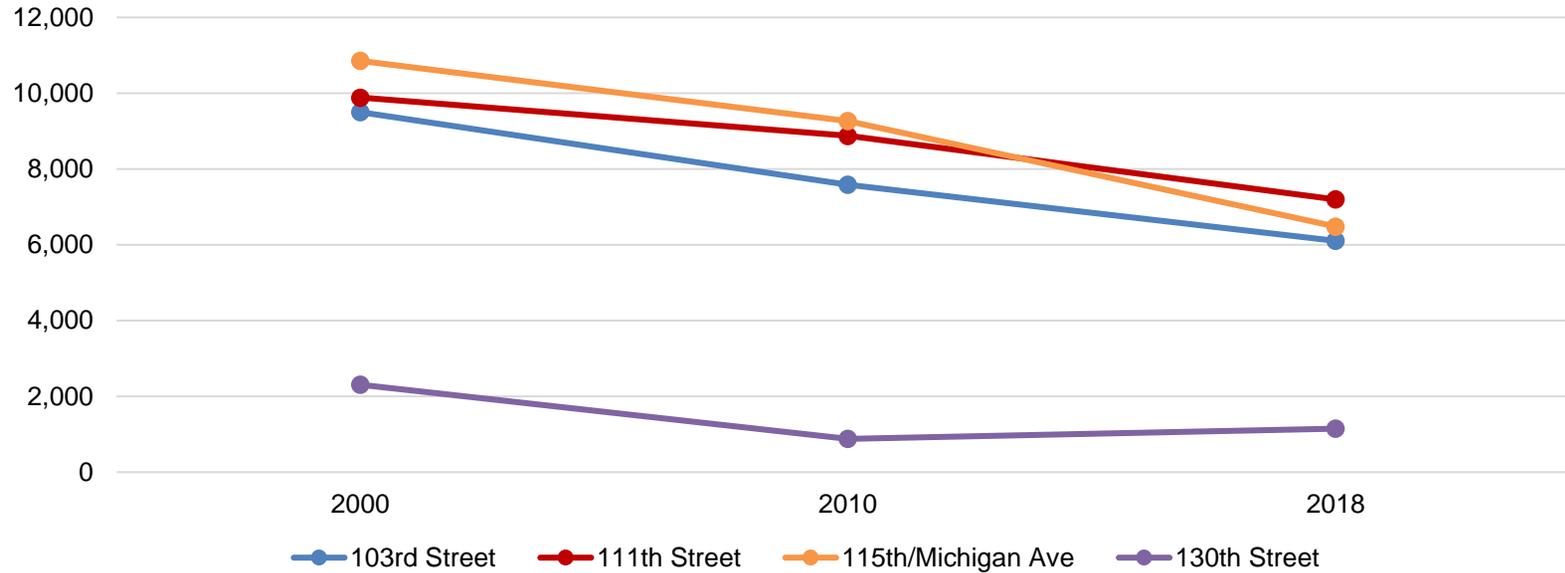

Goal 10: Communicate, Coordinate, Create and Magnify Investment

Strong and prosperous communities embrace meaningful community-driven planning and implementation in collaboration with inclusive stakeholders.

Station area demographic trends

2000 to 2018

- Total area population has been decreasing
- Households are getting smaller
- Median age is increasing
- Median household income is decreasing

Community**

**Growth and
Development**

**Balanced and Responsible
Development**

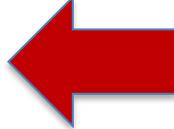

About GRCC

Greater Roseland Chamber of Commerce (GRCC) is a 501(c)6 non-profit organization established in 2009. GRCC areas of concentration are business, economic and community development.

Far South Community Development Corporation (Far South CDC) is a 501c3 not-for-profit organization that provides specialized and strategic community development services to Chicago's far south side neighborhoods and south suburban Cook County villages/cities.

Far South CDC's mission is to alleviate low-income communities within Chicago's far south side and south suburban Cook County of poverty, blight, and economic distress through effective economic and community development
