

You can  
**live** without it  
for a few minutes

If you drop your phone on the tracks,  
don't jump down to get it. Inform a  
CTA employee, who will help you.

**It's not worth your life. Stay off the tracks.**

# Don't worry, It's coming.

Don't stand at the edge of the platform. Stay behind the blue tactile edging until the train car has come to a complete stop inside the station.

## It's not worth your life. Stay off the tracks.

Trains can reach  
**55 mph**

and can approach more  
quickly than you realize.

**It's not worth your life.  
Stay off the tracks.**

Only a few feet separate **you**  
from **600 volts** of electricity

The electricity in the third rail that powers CTA trains is deadly. Customers should never leave the platform. If you drop something on the tracks, inform a CTA employee, who will help you.
