WHEREAS, The Authority entered into a contract with SDI Presence, LLC under Requisition No. B12OP01324 for the required services for five years with two one-year options; and

WHEREAS, In 2019, the parties extended the contract for one year to allow the City of Chicago (“City”) to complete its Request for Proposals (RFP) procurement process to award similar technology support services, as the Authority anticipated piggybacking on the City’s contract; and

WHEREAS, After reviewing the City’s new contract, Authority staff determined that the type of contract the City entered into prohibited the Authority from piggybacking on the City’s contract; and

WHEREAS, Contract change orders that individually or cumulatively increase the original contract value by more than 10% or extend the termination date by more than twelve months require approval by the Transit Board; and
